

## Diploma in Public Accountability & Advanced Diploma in Public Accountability

- **Admission requirements:** To qualify for admission to the Diploma in Public Accountability you need to at least have an achievement of 3(40%) in four recognised NSC (Matric) subjects, of which one must be the language of learning and teaching (English); OR a minimum of 3(40%) in four other recognised NSC subjects plus 3 years' relevant work experience; or successful completion of any relevant higher education qualification.

To qualify for admission to the Advanced Diploma in Public Accountability, you would need to have obtained a Diploma in Public Accountability or any related public sector field of study, or a Diploma or degree in any field with relevant public sector work experience and training.

For more information regarding Recognition of Prior Learning and credit transfer processes as it relates to the Municipal Minimum Competence training programme for the Diploma or the Middle Management Development Programme for the Advanced Diploma, please contact the different programme administrators.

- **Duration:** Two-year Diploma in Public Accountability  
One-year Advanced Diploma in Public Accountability.
- **Delivery modes:** The Diploma and Advanced Diploma (Public Accountability) are offered in a way that combines limited duration direct contact with real time interaction by means of telematics. Direct contact sessions take place at the Bellville Park Campus of Stellenbosch University in Cape Town, with potential repeat of contact sessions at other centres where adequate numbers of students live and work. The interactive telematics sessions and invigilated assessments throughout the year must be attended at decentralised venues across the country.

All students will receive learning equipment, e-learning materials and optional notebook/tablet devices.

**Closing date for applications:** 15 December 2020
