

The SU-Africa Global & Public
Health Student Network
Initiative presents its fifth
webinar!

The Global Health Priority of Knowledge Translation

08 May '24 | 5-6.30 PM (SAST)
| 4-5.30 PM (WAT)

[Click here to join us](#)

Purpose of the Webinar:

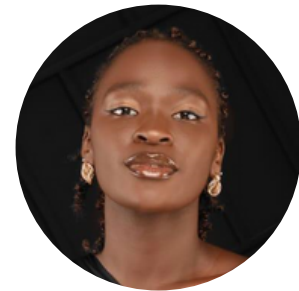

- This webinar will explore the critical role of translating scientific research into practical health solutions that can be applied across communities worldwide.
- This engaging session will also delve into effective strategies to ensure that valuable health research leads to tangible outcomes.

Engage with us in this vital conversation to enhance health policies and practices globally, making a real difference in public health!
