

Master of Business Management and Administration (MBA)

Admission requirements

- An appropriate four-year bachelor's degree (NQF Level 8) and at least three years' relevant full-time working experience;
- or*
- An honours degree (NQF Level 8), plus three years' relevant full-time working experience;
- or*
- An appropriate three-year bachelor's degree (NQF Level 7) and a postgraduate diploma (NQF Level 8), plus at least three years' relevant working experience.

Please note:

- Your working experience should preferably be on managerial level.
- The Postgraduate Diploma in Business Management and Administration can help you to qualify for admission to the MBA.

Further requirements

In addition to the requirements above, you must:

- obtain satisfactory results in the SHL or GMAT selection tests;
- submit a comprehensive CV;
- submit two essays, showing your level of motivation and working experience.

Selection

A mark of at least 40% in Mathematics at NNS (Grade 12) level or equivalent is not a requirement, but it is an important indicator of whether or not you will be able to complete this programme successfully. This mark will be considered alongside your selection test results, your CV and your prior qualifications to determine your selection.

Selection takes place every year, starting in July. You will also be expected to have a selection interview with a representative from the Business School.

Application procedure and closing date

The application process is the same for South African and international students: Go to www.usb.ac.za/apply and complete the online MBA application form. You will be able to complete the form in steps without losing information.

It is advisable to complete the application form as soon as possible in order to register for the programme. The closing date for South African applications is **15 November** of every year while the closing date for international applications is **31 October** of every year.

Duration of programme and starting date

Duration: Two years, modular or blended learning.

Starting date: January.

Assessment

Deadline for submitting the research assignment

The submission date for the research assignment is **1 December**. No extension will be granted. If you fail to submit by 1 December, but do submit by the supplementary date of 15 January, a maximum mark of 50% will be awarded. If you fail to submit the research assignment by 15 January, you will have to re-register for the module.

Provisions relating to the continuation and termination of studies

Full-time students

If, towards the end of the academic year, you have completed the compulsory syllabus and still have more than 35% of your credits for the core modules in arrears, you will not be allowed to continue with the MBA programme.

Modular students and blended learning students

If, towards the end of the first academic year, you have completed the compulsory syllabus and still have more than 35% of your credits for the core modules in arrears, you will not be allowed to continue with the MBA programme.

All groups

You have the minimum period plus one grace year to complete the MBA programme. If you have already used the additional grace year and you still have credits in arrears, it could happen that you will not be allowed to continue with the programme.

Programme description and structure

This programme is presented at the Bellville Park campus and online in a modular and a blended learning format.

Blended learning is a hybrid learning format comprising both compulsory on-campus blocks and classes that can be attended either remotely, online or in-person on campus. Detailed schedules are available on the USB website.

The modular format consists of nine one-week blocks (with classes from Monday to Saturday) on campus over two years.

Focal areas

USB has two MBA focal areas over and above the current general MBA. These focal areas are presented from the second year in the MBA blended learning programme:

- Managing International Organisations,
- Health Care Leadership,
- Project Management.

For more information please visit www.usb.ac.za.
