

4.1.3 MCom (Computer Auditing)

Please note: This programme is only presented if we receive an acceptable minimum number of applications for a particular year. If not, applications are transferred to the next year.

Admission requirements

One of the following:

- A BAccHons degree or Postgraduate Diploma in Accounting (that follows on a recognised bachelor's degree) *or*
- An equivalent qualification from another university and registration as Chartered Accountant (SA) with the South African Institute of Chartered Accountants (SAICA) *or*
- An equivalent qualification that includes the outcomes required for this programme and relevant work experience and/or registration with a relevant professional body.

Selection

The number of students selected for the programme is based on demand for the programme and the available supervision capacity. Your academic results for previous postgraduate and undergraduate programmes are considered in the selection process. You can only be considered for admission once you have submitted a valid application and all the necessary documentation on the appropriate platform.

Application procedure and closing date

South African and international candidates: Apply at www.sun.ac.za/pgstudies by **31 October** of the year before your intended studies.

Please note: A new group is admitted every second year only.

Duration and starting date of programme

Duration: Two years.

Starting date: With the other classes at the University.

Programme's mode of delivery

Full-contact learning (face-to-face).

Enquiries

Programme leader: Prof Riaan Rudman

School of Accountancy

Tel: 021 808 3889

E-mail: rjrudman@sun.ac.za

Website: www.sun.ac.za/accountancy

Programme structure

You must attend lectures for the coursework component (in the first year of study) and the first part of the research assignment module (in the second year of study). These lectures are presented from the Stellenbosch campus by means of synchronous lectures online or physical face-to-face lectures on campus. There are several short sessions throughout the year, as well as block lectures. Class attendance (whether online or face-to-face) and assignment submission are compulsory and start in the first year, with frequent lectures during February to April and, thereafter, once a month until October. Compulsory class attendance ends with lectures during February to April in the year of the research assignment module and includes block lectures.

You must also attend a writing skills workshop about writing up research and complete a research assignment and an article that is publishable in an accredited journal.

Programme content

Programme module

You must earn a total of at least 180 credits for this programme.

Code	Module	Credits	Module Name	Semester
56839	899	180	Computer Auditing	Both

All modules are compulsory

You must pass Computer Auditing 871 to continue with the research assignment.

Code	Module	Credits	Module Name	Semester
56839	871	120	Computer Auditing	Both
56839	872	60	Research assignment: Computer Auditing	Both

Postgraduate Programmes

1. General information for all postgraduate programmes

The information in this section applies to most of the postgraduate programmes and is not repeated for each programme, so please read it through carefully. Exceptions and deviations are, however, indicated at the individual programmes.

1.1 Postgraduate programmes in the Faculty

The table below lists the postgraduate programmes up to master's level by the department, school or centre where they are offered. The campus or facility is indicated in italics where necessary. All departments, schools and centres also offer a PhD programme. For more on the PhD, see the doctoral section at the end of this chapter.

1.2 Undergraduate module requirements for postgraduate programmes

In Appendix C to this Yearbook part, you will find a table showing the minimum module requirements for admission to certain postgraduate programmes. Review this table to determine whether you meet the requirements for the postgraduate programme you wish to follow.

1.3 Selection

Every postgraduate programme in the Faculty is potentially a selection programme since the capacity of the relevant department determines the number of students that can be accommodated in each programme. This means that selection happens when more candidates apply than the department can accommodate in a specific programme. There are, however, also programmes where selection always happens, regardless of how many candidates apply. Departments may choose to list specific requirements and criteria at the relevant programme entries below or on their website or in the programme brochure.

1.4 Postgraduate assessment and examination

- Assessment is determined at modular level; therefore, consult the relevant module framework for more information.
- For the Faculty postgraduate assessment rules, you can consult the Faculty website at www.sun.ac.za/ems and look under "Current students" and then "General information" to find the link "EMS Postgraduate Assessment Rules".
- For more information and the general rules on assessment, see Part 1 (General Rules) of the Yearbook, under "Assessments and Promotions".

- For the general specifications for assignments, theses, and dissertations, consult the section "Postgraduate Qualifications" in Part 1 (General Rules) of the Yearbook.
- For specific information relating to the assignment, thesis or dissertation for an individual programme, consult the programme administrator or leader or relevant programme documentation.

1.5 Pass requirements for postgraduate programmes

The pass mark for postgraduate programmes is 50% and to pass with distinction you need 75%. More detailed information on pass requirements for individual programmes is available from the relevant programme administrator or leader.

1.6 Different campuses and facilities

Some postgraduate programmes are presented by the Stellenbosch Business School or the School for Public Leadership, both of which are on the Bellville Park campus of the University. The School of Public Leadership also presents classes at the Sustainability Institute at Lynedoch. The place where a particular diploma programme will be presented, if not Stellenbosch campus, is indicated below for each individual Programme under "Programme structure".

Disclaimer:

The content above comes from the 2024 Economic and Management Sciences Yearbook. Make sure to consult the full **Economic and Management Sciences Yearbook** to see this extract in context and to check if there have been any changes. Take special note of additional information in the yearbook under section **1. General information for all postgraduate programmes.**
