

5.3.4 Master of Addiction Care

Specific admission requirements

- A four-year bachelor's degree, an honours degree or a postgraduate diploma in addiction care or in health or social sciences relevant to addiction care, e.g. nursing, social work, psychology, medicine, occupational therapy and theology.

Application procedure and closing date

Apply online at www.maties.com by **30 September** of the previous year. Applications for prospective international students close on **31 August**. You are, however, strongly advised to contact the programme leader by June to discuss your application.

Only a limited number of students are selected annually.

Duration of programme

The programme extends over a minimum of one year on a full-time basis or two years on a part-time basis.

Programme description

The research-based programme comprises an approved research project and a thesis. You compile the initial research proposal with support from the supervisor, and it is approved by the Health Research Ethics Committee of the Faculty of Medicine and Health Sciences.

Programme content

Thesis	872(180)
--------	----------

Assessment and examination

- The thesis is assessed according to University guidelines through a process of internal and external examination.
- You must achieve a mark of at least 50% for the thesis to pass the programme.
