Welcoming - 2024 - Verwelkoming ENGINEERING FACULTY

Friday, February 2 / Vrydag, 2 Februarie

First year engineering students will have no formal programme for the day at the Faculty of Engineering. Students will participate in welcoming programme activities at their University residences, Commuter Student Communities (CSC), or other student activities planned on main campus.

Eerstejaar Ingenieurstudente sal geen formele program vir die dag volg in die Fakulteit Ingenieurswese nie. Studente sal deelneem aan verwelkomingsaktiwiteite by hul Universiteitskoshuis, Pendel Studente Gemeenskap (PSG) of ander beplande studente aktiwiteite op hoofkampus.

Important notice / Belangrike kennisgewing:

1. The official welcoming programme for new first year students **at the Faculty of Engineering commence on Monday February 5.**
2. **Please note:** Students who were allocated residence placement or those who will stay privately, will receive information regarding move-in dates, welcoming, etc. directly from the residence or private resident owners. If you haven't received such information, contact them directly or send an email to: info@sun.ac.za
3. We encourage you to regularly check at www.sun.ac.za/welcome for any updates to the welcoming programme.
4. All sessions will be in-person (face-2-face). It is expected of all new first years to attend all the welcoming sessions at the Faculty.
