

POMEGRANATE PROCESSING AND TECHNOLOGY DEVELOPMENT

STUDY BURSARY 2018/19 : FOOD PROCESSING- POMEGRANATE FRUIT

Agro processing is an important aspect contributing to South Africa's skills development and income growth through value addition to Agri products. An opportunity currently exists in awarding post graduate (Hons. ,M.Sc. & PhD) academic bursaries to talented and deserving South African students. The bursary study focus areas include various aspects of agro processing and technology development for pomegranate fruit. Priority will be given to performing students in the fields of Food Technology, Agriculture, Biological and related Sciences.

Financial support is available to cover the student's cost, including full tuition fees and will be allocated according to an annual bursary award agreement.

For applications and inquiries, please make contact with :

The Project Manager

Designation: Bursary & Study (THRIP)

Email: projects@agriedge.co.za

Closing date for 2018 bursary applications is: Monday 9 October 2017

Successful students will be subjected to assessments and interviews. Submission of applications must include a fully completed application form, a certified copy of your ID, a certified copy of your National Senior Certificate and Tertiary results and a brief Curriculum Vita.

NB: Incomplete Bursary applications and applicants who already have other sponsors will NOT be considered .
