Training Programme 2024
Semester 1

#SmartStudent

This series comprises short training sessions on library topics for the purpose of introducing library concepts and creating space for University students and staff to ask specific questions around said or related topics. These sessions are all online offerings and you can book for a specific date by clicking on the date, or you can access the full training programme with booking links [here](#).

Dates	Time	Session Title	Presenters
15 Feb 26 Feb 11 Mar 8 Apr	12:00-12:30	Introduction to the Library	Kgabo Mogashoa & Glynis Kelly

#SmartResearcher

This series of #SmartResearcher workshops is designed to address all the important aspects of the research process. For the first semester all the sessions will be offered in a hybrid format with in-person training in the SU Library e-Classroom or Auditorium. The in-person sessions will be live-streamed and recorded for those who cannot attend in person. Click on the relevant date to reserve your place or view the full programme [here](#).

PLAN AND DESIGN
