3. CRITERIA

- (a) The Africa Collaboration Grant should supplement grants provided by other sources (e.g. Dean's fund research fund, third stream funds), as the ACG award should not exceed 66% of the total budget to a maximum of the respective amounts above.
- (b) The applicant must indicate how the funding will support collaboration, whether at the level of research, teaching or capacity development with partners based at one of SU's bilateral partner institutions in Africa.
- (c) An applicant will only be eligible for the same category of the ACG **every two years within one category**.

4. FUNDING:

- (a) Only a limited number of category 1 awards will be made.
- (b) Applications for category 2 visits with the goal to prepare joint funding proposals for third stream funding (e.g. African Union Grants, Intra Africa Grants, European funding aimed at African/South-South collaboration, etc.) will be given priority.
- (c) The Africa Collaboration Grant amounts will not exceed the amounts for the respective categories stated in article 1, and/or will not be more than 66% of the projected budget.
- (d) Supplementary funds should be sought from other sources.
- (e) The African Collaboration Grant provides funding for collaboration projects with the expectation that initial activities will attract funding from other sources for further collaboration.
- (f) Proof of price quotations (e.g. flights, accommodation, etc.) should be attached to the application.
- (g) The budget should be given, per budget item, in the relevant part of the application form.
- (h) Student mobility cannot be funded from ACG funds. SU's institutional bilateral partnership agreements make provision for student exchanges and as such, may be initiated on that basis via the Stellenbosch University International.
