Digital expertise

Our digital support channels range from the Momentum App to an online web chat facility and live help through WhatsApp. You also enjoy access to virtual help sessions and even a digital membership card.

Tailor-made benefits for students

Some medical schemes group benefits under one limit. They might argue that it gives you flexibility, but it also limits your benefits. The Ingwe Option offers separate benefits for out-of-network/emergency visits, optometry, dentistry, specialists, pathology and radiology.

+* NINE healthcare tips and your role as a Member

Tip 1

We have agreements in place with **network providers** to ensure that your benefits last as long as possible and give you more value for your money. Please ensure that you visit these network providers only for your out-of-hospital benefits to avoid paying the treatment cost from your pocket.

Visit studenthealthcare.co.za or call us on **0860 102 493** to find out where your closest Ingwe Active Network provider is.

Tip 2

If you need **medication**, visit your Ingwe Active Network doctor, instead of the pharmacy. This may save you from having to pay for medication from your pocket.

Tip 3

Your **emergency/non-network doctor visits** are limited - use them wisely. If you need to use the benefit remember to phone us within 72 hours after the visit. You also have 3 free virtual consultations per beneficiary per year through the GP Virtual Consultation Network, which includes Hello Doctor. In addition, you have unlimited free access to Hello Doctor throughout the year for medical advice.

Tip 4

Visit the **Downloads** section on studenthealthcare.co.za for detailed information on your benefits and procedures to follow.

Tip 5

We issue **digital membership cards**. You will receive a link in your welcome letter. Follow the authentication steps to access your membership card.

Tip 6

WhatsApp or call us on **0860 102 493** to **request authorisation** for hospital admissions, specialist referrals, emergency/non-network doctor consultations and all GP visits from the 11th visit onwards.

Tip 7

Your **medical cover starts** on the 1st of the month, as stated on your membership confirmation letter, and not when you enter South Africa or start your studies.

Tip 8

For any **membership terminations and refunds**, please remember to give us 30 days' notice. You will need to submit specific documentation. Go to studenthealthcare.co.za, select the Downloads button and then Forms to view the details of the requirements on the Bank details for contribution refunds form.

Tip 9

Download the **Momentum App** on Play Store, the App Store or AppGallery to access and better understand your unique benefits. Remember to ensure that we have your latest email and cellphone number, as we need these details to authenticate you on the Momentum App.
