

STUDYING AT STELLENBOSCH UNIVERSITY

ADMISSION REQUIREMENTS FOR UNDERGRADUATE
INTERNATIONAL CURRICULA | 2021

UNIVERSITEIT
IYUNIVESITHI
STELLENBOSCH
UNIVERSITY

100
1918-2018

WELCOME TO • STELLENBOSCH

We are excited that you are interested in applying to Stellenbosch University, and we hope to welcome you as a Matie student in the near future. This booklet will guide you through the application process with useful information about Stellenbosch University, admission and other requirements.

Stellenbosch University is ready to assist you, as an International or a South African citizen undergraduate applicant completing an international curricula.

General Admission office will assist South Africans who follow the international curriculum with application and enrolment. The International Office will assist the International citizens with the following:

- Assistance with application and enrolment
- Immigration and health insurance requirements
- Accommodation information
- Matriculation exemption application
- Welcoming and orientation

Please note: International citizens are not eligible to apply for the MBChB programme (at Undergraduate level); Only South African citizens or international applicants with Permanent Resident status will be eligible to apply for this particular course.

Good luck

*with your application for full-degree studies
at Stellenbosch University!*

2. GETTING STARTED

VISAS

All international students without South African citizenship will need a valid study visa. Your study visa application should be submitted in your country of origin before you travel to South Africa.

HEALTH INSURANCE

The South African Department of Home Affairs requires proof of medical cover registered with the South African Council for Medical Schemes in terms of the Medical Schemes Act, 1998, and paid annually for the duration of your studies. You will need this proof to be able to apply for your study visa and register at Stellenbosch University.

Please note that Stellenbosch University is not affiliated to any particular health insurance provider. Therefore, any health insurance will be accepted, as long as it is registered in South Africa. For information on health insurance providers, please visit www.sun.ac.za/international. We ask that you deal directly with the provider of your choice, and strongly encourage you to read the contents of your health insurance carefully.

NATIONAL BENCHMARK TESTS

Some faculties at SU use the NBTs for selection and placement. Please visit www.maties.com for more information on who needs to write the NBTs and how faculties will be using the results.

Also please read Stellenbosch University's admissions policy at www.maties.com.

ACCOMMODATION

More information on private accredited accommodation is available on www.maties.com > accommodation > private accommodation.

WELCOMING AND ORIENTATION

All full-degree first-year students participate in the official Welcoming Programme hosted by the Division of Student Affairs at the start of the academic year.

At the start of each semester, Stellenbosch University International also organises a special orientation programme for all new international students. You will need to register for this programme. Topics covered during orientation include the following:

- A general introduction to Stellenbosch and South Africa
- Safety and security issues on campus
- Cultural adjustment
- Introduction to services on campus: Campus Health Services, Campus Security, Centre for Student Counselling and Development
- Sports facilities, societies and performing arts
- Academic expectations
- South African politics and economics
- Registration
- Visas and other documents

Tours of campus; Stellenbosch town and Cape Town normally form part of the orientation events.

TRANSFER SERVICE

Stellenbosch University International provides a transfer service to the Stellenbosch University campus from either Cape Town International Airport, Cape Town Station or certain bus terminals.

Our pick-up locations are:

Cape Town International Airport
Paarl bus station
Bellville bus station

Important: The transfer service is available to all new international students, but only on first arrival. Please remember to book the service with Stellenbosch University International at www.sun.ac.za/international.

CONTACT STELLENBOSCH UNIVERSITY INTERNATIONAL

Stellenbosch University International (SU International) is a support service division in the responsibility area of the Deputy Vice-Chancellor: Strategy and Internationalisation. SU International provides services catering to the specific needs of international students, academics and visitors. It offers a range of services from logistical to academic and social, and is the central administrative hub for all international activity on campus.

3.

MATRICULATION EXEMPTION

Matriculation exemption is a legal requirement for first-degree study at a South African university. If you have completed an international curriculum or foreign schooling system, you will need to make sure that you meet the requirements for matriculation exemption set by Universities South Africa (USAf).

Please check that you meet the requirements for your chosen degree programme, and that you have attained the indicated grades in the subjects listed in this booklet, on the indicated levels.

Applications for matriculation exemption open 30 September of every academic year and close 30 November of every academic year.

International citizens should visit Ms Talmarkes at the International Office, in the Wilcocks building, ground floor.

SA citizens should visit Ms Grove-Le Guillou at the Admission Office in Admin A, Main Building, ground floor.

Please consult this booklet in conjunction with the USAf requirements.

<https://mb.usaf.ac.za/qualification-bycountry/>

4. _____

CONVERTING INTERNATIONAL GRADES

The following conversion table will guide you in applying for admission to Stellenbosch University:

4.1. Grading table: International conversion to South Africa

% awarded by Stellenbosch University	SA NSC	NAMIBIA - GERMAN SCHOOL	HIGCSE/NSSC HL	IGCSE/GCE/ NSSC OL – Grade 12
100	7 (80–100%)			
95	7 (80–100%)	15		
90	7 (80–100%)	14	1

4.2 Requirements for students qualified in the USA system

If you are applying from the USA, you will need the following:

A High School Graduation Diploma, as well as a certificate of eligibility for admission to study at any USA university with a valid senior college accreditation issued by any of the following accreditation bodies:

- Accrediting Council for Independent Colleges and Schools (ACICS)
- Distance Education and Training Council (DETC)
- Middle States Commission on Higher Education (MSCHE)
- New England Association of Schools and Colleges – Commission on Institutions of Higher Education (NEASC-CIHE)
- North Central Association of Colleges and Schools – Higher Learning Commission (NCA-HLC)
- Northwest Commission on Colleges and Universities (NWCCU)
- Southern Association of Colleges and Schools (SACS)
- Western Association of Schools and Colleges – Accrediting Commission for Senior Colleges and Universities (WASC-ACSCU)

OR

A High School Graduation Diploma with at least two subjects passed at grades 3, 4 or 5 for the Advanced Placement (AP) examinations of the American College Board.

OR

A SAT I score of 1 600, with a subminimum of 550 for Critical Reading and 500 for Mathematics
A SAT II score of 1 050 for English and either Physics or Chemistry, with a subminimum of 500 for either the English or one of the Physics, Chemistry, Biology or World History scores obtained at one or more sittings.

NEW SAT scores as of 2017:

Evidence-based Reading and Writing = 610 Mathematics = 530

Total score = 1 130

ACT mean of 22, with a 22 subminimum in English and 21 in Mathematics

AMERICAN GRADING SYSTEM

4.3 Matriculation exemption and admission requirements for students qualified in the Namibian system

4.3.1 Matriculation exemption

The matriculation requirements for candidates who completed school in Namibia are as follows:

Pass marks (1–3) in four different approved NSSC Higher Level subjects, and a pass mark (A–C) in one Ordinary Level subject selected from groups I and II, and two from groups III, IV and V in terms of paragraph 15 of the South African Matriculation Board's regulations:

Group I:	An approved first language
Group II:	An approved second language
Group III:	An approved third or foreign language that is not offered under group I or II, Biology, Chemistry, Mathematics, Physical Science or Physics
Group IV:	Art and Design, Biology (if not offered under group II), Chemistry (if not offered under group III), Economics, Geography, History, Mathematics (if not offered under group III), Music, Physical Science (if not offered under group III) or Physics (if not offered under group III).
Group V:	Accounting, Business Studies, Computer Studies, or Design and Technology Higher Level subjects from Group V must be accompanied by a pass in Mathematics on at least Ordinary Level.

If you are unsure whether you qualify for matriculation exemption, please contact the South African Matriculation Board directly. Stellenbosch University reserves the right not to consider a candidate who cannot provide proof of matriculation exemption.

Please note

To apply for an exemption certificate all results may be:

- emailed to USAf at applications@usaf.ac.za
- delivered to their offices at Block E, Hadeffields Office Park, 1267 Pretorius Street, Hatfield, Pretoria, 0083.

Submit online via <http://mb.usaf.ac.za/online-assessment-and-application/> Some universities require students to write the National Benchmark Tests: Please take note of these at: www.nbt.ac.za

4.3.2 Stellenbosch University programme-specific requirements

South Africa's National Senior Certificate (NSC) no longer consists of subjects on different 'levels' such as Higher Grade and Standard Grade. It now offers only one level that is comparable to the former Higher Grade. This has the following implications for students from Namibia:

Home Language	Namibian HL 1st language, symbols 1–3
1st Additional	Namibian HL 2nd language, symbols 1–3
2nd Additional	Namibian HL 3rd language/Foreign Language, symbols 1–3
Mathematics	Mathematics HL, symbols 1–3
Life Sciences	Biology HL, symbols 1–3

Please do not downgrade to Ordinary Level in subjects that are required for admission.

! NB: English must be HL on either 1st language or 2nd language level.

CAMBRIDGE CURRICULUM REQUIREMENTS

Complete exemption	Number of required subjects	Minimum qualification Combination	Minimum grade required	Subject group requirements	Notes
Cambridge International A Level	5	2 subjects at A Level PLUS 3 subjects at IGCSE/O Level	E	Students must choose ONE subject from each of Groups I, II and III at either A Level or IGCSE/O Level. The fourth and fifth subjects for either A Level or IGCSE/O Level may be taken from any of the groups.	More than one subject can be chosen from a group providing that the minimum requirements have been met.
			C		
Cambridge International A Level	4	3 subjects at A Level PLUS 1 subject at IGCSE/O Level	E	Students must choose ONE subject from each of Groups I, II and III at either A Level or IGCSE/O Level. The fourth subject for either A Level or IGCSE/O Level may be taken from any of the groups.	
			C		
Cambridge International AS Level	5	4 subjects at AS Level PLUS 1 subject at IGCSE/O Level	D	Students must choose ONE subject from Group I or II and another TWO subjects from two of Groups III, IV and V. English First Language must be offered and passed at an appropriate level. N.B. Two languages must be offered to qualify for complete exemption.	More than one subject can be chosen from a group providing that the minimum requirements have been met. Two w sittings only. Where a subject is not examined in Oct/Nov session the following or preceding June session will be regarded as the same sitting.
			C		
Cambridge AICE	5	5 subjects at AS Level (full credit)	D	Students must achieve passes in: – English Language – at least one subject from Group II – at least one of the following: Biology, Mathematics, Physics, Chemistry, 3rd Language The fourth and fifth subjects may be taken from any of the groups.	
Cambridge HIGCSE	5	4 subjects at HIGCSE PLUS 1 subject at IGCSE/O Level	3	Students must choose ONE subject from Groups I or II and TWO subjects from two of Groups III, IV or V. The fifth subject for either HIGCSE or IGCSE/O Level may be taken from any of the groups. English Language must be passed at HIGCSE Level. N.B. Two languages must be offered to qualify for complete exemption	
			C		
NSSC	5	4 subjects at Higher NSSC PLUS 1 subject at NSSC Ordinary Level	3	Students must choose ONE subject from Groups I or II and TWO subjects from two of Groups III, IV and V at Higher NSSC. The fifth subject for either Higher NSSC or NSSC Ordinary Level may be taken from any of the groups. English Language must be passed at Higher NSSC Level with a 3. N.B. Two languages must be offered to qualify for complete exemption	
			C		

Complete exemption	Number of required subjects	Minimum qualification Combination	Minimum grade required	Subject group requirements	Notes
A Level AS Level Plus LGCSE BGCSE SGCSE	5	2 subjects at A Level PLUS 3 subject at either LGCSE, BGCSE, SGCSE	E	Students must choose ONE subject from each of Groups I, II and III at either A Level or LGCSE, BGCSE, SGCSE Level. N.B. Two languages must be offered to qualify for complete exemption.	More than one subject can be chosen from a group providing that the minimum requirements have been met. Two examination sittings only. Where a subject is not examined in Oct/Nov session the following or preceding June session will be regarded as the same sitting.
			C		
		OR 4 subjects at AS Level PLUS 1 subject at LGCSE, BGCSE, SGCSE	D	The fourth and fifth subjects for either AS Level or LGCSE, BGCSE, SGCSE Level may be taken from any of the groups. N.B. Two languages must be offered to qualify for complete exemption	
			C		

RECOGNISED SUBJECT LIST FOR THE CAMBRIDGE CURRICULUM.

Group I	Group II	Group III	Group IV	Group V	Ungrouped but recognised subjects
English Language	Afrikaans	3rd Language (which is not offered as part of Group II requirement)	Art and Design	Accounting	Literature in English (see note below)
English Language and Literature	Arabic	Biology	Biology	Business	Applied Information and Communication Technology
Any other recognised First Language (see note)	Chinese	Chemistry	Chemistry	Computer Studies	Drama
	Czech	Combined Science	Economics	Computing	Travel and Tourism
	Dutch	Co-ordinated Science	Environmental Management	Computer Science	
	French	Mathematics	Geography	Design & Technology	
	German	Physics	History	Divinity	
	Greek	Physical Science	Mathematics	Further Mathematics	
	Hindi		Music	Information Technology	
	IsiZulu		Physics	Religious Studies	
	Italian		Physical Science		
	Japanese				
For the AS Level exemption students not offering AS English First Language or AS Language and Literature for group I must offer IGCSE English First Language for Group II. For the A Level exemption students may offer IGCSE English First Language, AS English Language, AS English Language and Literature or A Level Language	Korean			All Group V subjects at Cambridge International AS Level are only recognised for grouping purposes if the candidate has passed IGCSE or O Level Mathematics with a minimum of grade C. For detailed requirements please go to http://mbusfaazal/exemption-requirements/	Ungrouped subjects are recognised/acceptable subjects but do not meet any grouping requirements and therefore will not be taken into account for grouping purposes.

	Urdu				

4.6 A GUIDE TO PERCENTAGE UNIFORM MARKS

This factsheet is a guide for schools in countries where percentage uniform marks appear on statements of results for Cambridge IGCSE, Cambridge O Level and Cambridge International AS & A Level.

We provide the percentage uniform mark as well as the grade for a syllabus. The percentage uniform mark is not the total mark achieved for the syllabus. It is a point on a common scale for all syllabuses to show whether the candidate's performance is close to the top, middle or bottom of the grade.

For example, a student who gets the minimum mark necessary for a Grade A* obtains a percentage uniform mark of 90. A student who gets a mark halfway between the Grade D threshold and Grade C threshold achieves a percentage uniform mark of 55.

We do not provide a percentage uniform mark when the candidate's result is Ungraded, No Result, Pending or To Be Issued. The table below shows the percentage uniform mark range for each grade:

Grade	Percentage uniform mark range
A*	90–100
A	80–89†
B	70–79
C	60–69
D	50–59
E	40–49
F (Cambridge IGCSE only)	30–39
G (Cambridge IGCSE only)	20–29

† In the case of the Cambridge International AS Level qualification, where there is no Grade 'a*', the percentage uniform mark range for Grade 'a' is 80–100.

The percentage uniform mark is stated at syllabus level only. It is not the same as the actual total mark that the candidate achieves on the syllabus. This is because the percentage uniform mark depends on both the actual total mark for the syllabus and the position of the grade thresholds (which may vary from one exam series to another and from one syllabus to another). The percentage uniform mark is also different from the actual mark because it is always calculated out of 100.

The key messages for students are:

- the percentage uniform mark shows you whether you are in the middle of a grade, or near either the top or the bottom
- it does not affect the grade you receive, but gives you more information about it
- it will appear on your statement of results but not on your certificate.

FREQUENTLY ASKED QUESTIONS

Are percentage uniform marks the same as the Uniform Mark Scale (UMS) used by UK exam boards? Our percentage uniform mark scale uses the same approach as UMS. However the UMS is not always shown as marks out of 100, whereas our percentage uniform marks are always out of 100.

Do percentage uniform marks appear on Cambridge certificates? No. They are published on the statement of results to supplement the grade issued at syllabus level.

SAMPLE STATEMENT OF RESULTS

The illustration below shows how percentage uniform marks are shown on the statement of results, where applicable. The percentage uniform mark will appear on statements of results only, not on certificates.

Statement of Results
GENERAL CERTIFICATE OF EDUCATION ADVANCED SUBSIDIARY LEVEL AND ADVANCED LEVEL

Candidate Name: A SPECIMEN Date of Birth: XXX/XX/XXXX Gender: (Card No. XXXXX/XXXX)

Certificate Number: CAMBRIDGE INTERNATIONAL SAMPLE CENTRE Series: November XXXX To be printed on all certificates

GCE AS & A Level

Subject	Subject Title	Qualification	Mark	Percentage
9691	Computing	Advanced Level	80	80 %
9692	Physics	Advanced Level	70	70 %
9693	Mathematics	Advanced Level	75	75 %

Explanatory Notes

This is a sample Statement of Results (SOR) illustrating the format for the Advanced Subsidiary Level (ASL) and Advanced Level (AL) examinations. Cambridge International reserves the right to amend the information on the statement. Results will be provided to the candidate.

GCE AS Level marks are reported on a subject scale of grades A*, A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S, T, U, V, W, X, Y, Z, and a percentage mark. The percentage mark is shown in parentheses after the grade. For example, A* (85%) indicates a grade of A* with a percentage mark of 85%.

GCE AL Level marks are reported on a subject scale of grades A*, A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S, T, U, V, W, X, Y, Z, and a percentage mark. The percentage mark is shown in parentheses after the grade. For example, A* (85%) indicates a grade of A* with a percentage mark of 85%.

The first Advanced Subsidiary or Advanced Level grade is the grade at which the candidate is awarded the qualification.

The statement of results is issued to the candidate in the form of a Statement of Results. This may be printed on the candidate's behalf by the examination centre.

Cambridge International reserves the right to amend the information on the statement. Results will be provided to the candidate.

Cambridge International reserves the right to amend the information on the statement. Results will be provided to the candidate.

CAMBRIDGE ASSESSMENT – INTERNATIONAL EDUCATION

A GUIDE TO A* - G AND 9-1 GRADES

Cambridge IGCSE is graded A* - G, Cambridge O level is graded A* - E. Both grade sets are well established, widely used systems that universities, parents and schools know to trust. In August 2017, some GCSE results in England will be reported on a different, 9-1 grading scale. On this scale, 9 is the top grade.

UK GCSEs and Cambridge IGCSEs have been reported on an A* - G grading scale for almost 30 years and offer a good level of differentiation between students' performance. The grading scale is understood and accepted by universities and employers around the world.

ARE CAMBRIDGE CONTINUING TO USE A* - G GRADING?

Yes. We asked Cambridge schools worldwide for their views on our grading scale. The majority of our schools told us that they want to retain A* - G grades, because they are so well understood. We will continue to consult with Cambridge schools.

WHAT ARE 9-1 GRADES?

9-1 grades have been introduced by the UK government for GCSEs in state schools in England. Under this system, 9 is the top grade. You can see how the A* - G grades compare with the 9-1 scale in the infographic on the right. *See table to the right*

Students in England will receive 9-1 grades for GCSE English, English Literature and Maths, in August 2017. 9-1 grading in other subjects will follow in later years.

A* - G GRADE FACTS AND FIGURES

Our A* - G grading is used in over 145 countries in over 6000 schools around the world. Over 800 000 Cambridge IGCSEs are awarded A* - grades by Cambridge every year.

All students in England taking GCSEs in 2017 will receive A* - G grades in all but three subjects.

WILL STUDENTS OUTSIDE ENGLAND RECEIVE 9-1 GCSE GRADES?

Wales, Scotland and Northern Ireland are not adopting 9-1 grading. Some other exam boards offering international GCSEs plan to introduce 9-1 grades.

Will students applying to university with A* - G graded IGCSEs be treated differently to students with 9-1 grades?

No, universities have made it clear that they will treat students with 9-1 grades and students with A* - G grades equally. Some UK universities require a C grade at GCSE in Maths and English. Under the 9-1 grading system some universities will use the new grade 5 as an equivalent while others will use grade 4.

A* - G grades	9-1 grades	
A*	9	
A	8	Anchor Point
	7	
B	6	
	5	Anchor Point
C	4	
D	3	Anchor Point
E	2	
F	1	
G		
U	U	

There are three anchor points where standards are benchmarked between the two systems.
