WHY SHOULD YOU COME?

We would love to see you!

Irene wants to breathe life into the Alumni program, and part of that is really celebrating our Irene's 60th year.

- **Reconnect** with old friends
- We will have great **food** and **wine**
- Buy great art and stand a chance to **win** a weekend away on a wine farm in Worcester!

WEEKEND HIGHLIGHTS

- If you are around Friday night, come and experience the heart of Stellenbosch merged with old Irene at the Brampton's Wine Bar. (Also play a game of 30 seconds!)
- Watch the sun come over the Jonkershoek mountain with a hot cup of coffee. The walk to the Wit-huisie is easy and only 20 minutes.
- Stellenbosch has changed so much! Come and see for yourself with guided or non-guided tours with Ireners. (Special surprise! at Justice's Coffee)
- Our exhibition is a one-of-kind event where you can witness firsthand the memories of Irene. And be a part of launching our archive!
- Surrounded by art, old Ireners and good food, we will have a lunch in Irene's quad. You are welcome to tour Irene, visit some of the places you made memories.
- If you are around on Sunday, join us at dorp street market and experience the vibe of Stellenbosch!
