

# Dr Trunette Joseph (PhD)

## CV IN BRIEF

Dr Trunette Reneé Joseph (currently 63 years old), possesses the following qualifications:

A B.A. degree (English & German); a B.Ed.; a Secondary Teacher's Diploma, all from UWC. She read for an Ed. M degree at Harvard Graduate School of Education (1996) and graduated with a D.Phil. degree in Political Science at Stellenbosch University in 2009.

She has expert skills, experience and knowledge of the academic project, university governance and Higher Education challenges facing South Africa, with more than ten years' experience. She worked as a lecturer, and managed Employment Equity at Peninsula Technikon. After working in government for several years, she worked as Diversity Manager in the Transformation office at Wits University. She retired in 2022, aged 62, from managing Teaching and Learning in the Faculty of Engineering & the Built Environment, at the Cape Peninsula University of Technology since 2014. She was a member of the Faculty management team during her tenure, and participated in faculty and university strategic planning, quality assurance, and evaluations of curricula for new qualifications.

Dr Joseph served on various university structures over the years, such as the Institutional Forum; the Senate Teaching and Learning Committee; the Institutional Curriculum Development Committee for HEQSF New Qualifications, as examples. She also served on the VC's Think Tank on GBV in Higher Education at CPUT, and as a trade union representative on recruitment and selection panels for top manager posts, such as DCV's and VC.

We are confident that Dr Joseph is well qualified to represent the Convocation on the SU Council.
