Department of Afrikaans and Dutch, Stellenbosch University

278 INTERMEDIATE STUDIES IN AFRIKAANS LANGUAGE AND LITERATURE

Students complete six components:

- Afrikaans lexicography
- Afrikaans Syntax
- Afrikaans literature before 1960 or Afrikaans language practice
- Afrikaans literature around 1960
- or Dutch literature after 1945
- The Sestiger movement
- One of the following electives:
 - o Afrikaans language practice
 - o *Avant-garde* and the Second World War in Dutch literature

Remarks

1. Not all components of Afrikaans and Dutch 278 are necessarily offered in every academic year.
2. Afrikaans and Dutch 278 use a system of flexible assessment. The composition of the final mark will be provided in writing at the beginning of the year, and students will receive regular feedback on their progress throughout the module.
