

Dear Students

Apologies for an update to this e-mail of yesterday. Please refer to a **change which was made in paragraph 5.3** regarding the process for Muslim students during the Ramadan period.

Beste Studente

Verskoning vir die bywerk van die dokument wat gister saam met hierdie e-pos gestuur is. Moslem-studente word gevra om op die **verandering in paragraaf 5.3** oor die proses gedurende Ramadan te let.

<p>Dear EMS Students</p> <p>The A1 assessments started this week. Please ensure that you are up to date with the protocol involved (as attached) before reporting for your sit-down assessments.</p> <p>In short:</p> <ul style="list-style-type: none"> • Arrive at least 15 minutes early at the assessment venue. • Be ready to show proof of your green Higher Health assessment on your phone. It implies that you cannot report for the assessment should you have COVID symptoms, and thus you will unfortunately forfeit the assessment opportunity. • Wear your mask for the entire duration of the assessment. • Tap the card reader with your student card at the entrance to the lecture hall (or fill in the register if no card reader is available). • Only sit at those seats indicated in the venue. • Keep a social distance of 1.5 m. • Should you after the assessment become aware of the possibility of being Covid positive during your assessment, immediately report it to the SU Campus Health Office. <p>Please read the attached document in full.</p> <p>Good luck with your assessments,</p> <p>Faculty Covid Officer Faculty Economic and Management Sciences</p>	<p>Beste EBW Studente</p> <p>Die A1-assesserings het vandeeweek begin. Maak asb. seker dat jy op hoogte is van die betrokke protokol (soos aangeheg) voordat jy aanmeld vir daardie assesserings wat in persoon geskryf moet word.</p> <p>Kortliks:</p> <ul style="list-style-type: none"> • Sorg dat jy minstens 15 minute voor die aanvang van die assessering by die lokaal aankom. • Wees gereed om bewys te lewer van jou groen Hoër Onderwys-goedkeuring op jou selfoon. Dit impliseer dat jy nie vir die assessering kan opdaag indien jy COVID simptome het nie – en dus sal jy ongelukkig die assesseringsgeleentheid verbeur. • Dra jou masker vir die volle tydsduur van die assessering. • Tik op die kaartleser by die ingang van die lesingsaal met jou studentekaart (of voltooi die register indien geen kaartleser beskikbaar is nie). • Sit slegs op die gemerkte sitplekke in die lokaal. • Hou by die sosiale afstand van 1.5 m. • Indien jy ná jou assessering reken dat jy moontlik Covid-positief kon wees tydens die assessering, rapporteer dit dadelik by die kantoor van US Kampusgesondheid. <p>Lees asb. die aangehegte dokument in sy geheel.</p> <p>Met beste wense vir jou assesserings,</p> <p>Covid-fakulteitsbeampte Fakulteit Ekonomiese en Bestuurswetenskappe</p>
