

## **Bursary opportunity for EMS degree students: Western Cape Provincial Treasury**

The Western Cape Provincial Treasury is committed to creating opportunities for the youth and to address critical skills shortages in the fields of Economics, Accounting, Finance and Auditing. In 2008 we launched a bursary programme to provide our youth with the opportunity to access tertiary education through bursaries. Bursary applications open in July and close by the end of September every year.

Bursaries are available to Grade 12 learners and post- and undergraduate students interested in pursuing careers in:

- Economics
- Accounting
- Finance
- Auditing
- Supply Chain Management
