

BCom Honours Management Accounting 2017

The following students were selected for BCom Honours (Management Accounting) 2017.

Please note that the selection of the following applicants is deferred to 5 January 2017:

- all students from other Universities.

Applicants who do not fall into one of the categories in the preceding paragraph and whose names do not appear on the selection list, were unfortunately not selected, as they do not meet the selection criteria of the Department. **The decision of the committee is final and will not be reconsidered.**

Although some of the University's programme combinations are acknowledged by the Chartered Institute of Management Accountants (CIMA), candidates should note that all exemptions from CIMA exams are granted by the Institute. The University can by no means guarantee CIMA exemptions.

Information about when classes will start, text books, etc will be provided in the coming week.
