Each postgraduate programme has a specific set of admission criteria, so it is crucial that you meet at least the minimum criteria for the programme(s) before you apply. The criteria are published in each Faculty's University Calendar Part.

Meeting the minimum admission criteria does not guarantee admission to a programme. Some programmes have limited places available and may be subject to additional selection processes.

Final offers

Final offers are based on the academic achievement of your qualification(s) obtained and meeting the requirements of the programme(s). The cut-off date for accepting our final offer will be communicated to you.
