## Out of the Office

With the first term almost behind us, and a lot of plans for implementing new programmes, a new marketing plan, and so much more, we are excited to launch our Faculty of Education newsletter for the first time. This newsletter will be distributed on a monthly basis after every "Dagbestuur" meeting to keep everyone in the faculty informed of the decisions made during these meetings and any other news or events in the faculty.

We hope you find the information in the newsletter meaningful and helpful.

Kind regards

**Dean: Maureen Robinson**

### SharePoint

A SharePoint folder has been opened for the faculty with subdivisions for each department and a general folder for the faculty that will contain all necessary documentation, i.e. Faculty Board documentation, templates, etc. One representative of each department did receive training in the use of SharePoint, so please feel free to learn more about and use this technology.

### Vacancies

Currently three vacancies within the Faculty are being advertised:

- ↪ Geography Lecturer (Curriculum Studies)
- ↪ Senior Departmental Officer (Educational Psychology)
- ↪ Sport Science Lecturer (Sport Science)

For more information please visit *Vacancies* at:

### Navorsing verwickelinge

Departemente word aangemoedig om die fondse te gebruik wat beskikbaar gemaak is aan die fakulteit vir navorsingsverwante aspekte. Die Departementele Voorsitters het verdere inligting rakende die onderskeie kategorieë waarvoor fondse beskikbaar is.

Neem ook kennis dat departemente lyste van die huidige M- en D registrasies ontvang het om te bepaal of studente wat nog nie vir 2015 geregistreer is nie addisionele ondersteuning moet verkry.

## Uitkoop van onderrig met alternatiewe fondse

Doserende personeel moet daarop let dat hul kontraktueel verplig is om 'n sekere aantal ure te onderrig. Die ongereguleerde gebruik van tydelike lektors is 'n risiko.

As 'n personeellid onderrighulp wil inkoop, moet 'n volledige CV vooraf aan die programkoördineerder en departementele voorsitter verskaf word vir goedkeuring van die aanstelling, aangesien die nuwe Arbeidswetgewing baie streng is rakende minimum kwalifikasies en besoldiging wat vereis word vir enige posisie, hetsy tydelik of permanent.
