STELLENBOSCH UNIVERSITY POSTGRADUATE SCHOLARSHIP PROGRAMME 2021

Stellenbosch University would like to invite prospective students (and current students in some faculties) to apply for full or partial scholarships for 2021.

**Closing date:
13 November 2020**

Each faculty has its own scholarship application form. Please click on the link which you can find on each faculty's page in this booklet.

Please consult the university website for more information on application, fees and registration:

<http://www0.sun.ac.za/pgstudies/>

Important Information

All scholarship awards will be made on condition that the applicants meet all of the requirements of the scholarship as well as the admission requirements of the relevant degree programme. Applicants are also advised that the University may require additional information, over and above the information supplied in the application, in order to reach a final decision. Students who have applied to the National Research Foundation scholarship programme and the SU Postgraduate Support Bursary should also apply for this scholarship.

The University also retains the right to award, or not to award scholarships to any persons who may or may not meet the eligibility, award, and/or preference criteria. Students who receive the maximum (full) scholarship value are not allowed to receive additional/supplemental funding.

Please consult the university website for more information on application, fees and registration:
