

Admission based on assessment and recognition of prior learning (ARPL)

The candidates for this course will be identified by the National and/or Provincial Education Departments using the appropriate admission requirements and certain selection criteria as guidelines. Where necessary the ARPL policy and the University's admissions policy will be complied with.

Admission based on ARPL only applies to candidates who have already completed at least 50% of the total credit value of an ADE programme. This provision only applies to subject content modules and not to the general modules like Work Integrated Learning, General Pedagogy, Educational Perspectives and Curriculum Management.

Application procedure

The National and Provincial Education Departments identify potential ADE students during sessions that also involve the Stellenbosch University Centre for Pedagogy (SUNCEP). The SUNCEP representatives usually take application forms along to these sessions. An application is then made through the appropriate education departments.

Duration of programme

The programme is presented part time over two years
