

Tygerberg Pantry Project *(Established 2015)*

Sponsorship letter

Dear Sir/Madam

The Pantry Project was established in 2015 by students and staff members following an overwhelming awareness of food and toiletry insecurity on Tygerberg Medical Campus, Stellenbosch University.

Thus students and staff respectively, responded by establishing the “Tygerberg Pantry Project”. This aims to firstly, alleviate the burden of food and toiletry insecurity. Secondly, cultivate a culture of sustainable living by encouraging students to share or exchange perishable items with fellow students to reduce food wastage, but most especially share, take or exchange non-perishable items whenever they have these items in abundance.

The Pantry Project currently functions exclusively on donations made by generous fellow students and staff members of Stellenbosch University. At present the monthly donations range between R2000.00 and R3000.00.
