

# FACULTY OF MEDICINE AND HEALTH SCIENCES

## STUDENT LOAN

Senior students in the Faculty of Medicine and Health Sciences have been pre-selected to access a student loan initiative in collaboration with Stellenbosch University (SU) and Standard Bank.

### WHO QUALIFIES?

Final year undergraduate students studying towards a degree in Physiotherapy, Speech-Language and Hearing Therapy, Dietetics and Occupational Therapy.

5th and final year undergraduate students studying towards a degree in Medicine and Surgery.

### HERE'S HOW THE LOAN FUNDING WORKS

- 1 Students should have or must open a Standard Bank transactional account to apply for the loan.
- 2 Standard Bank will support students through the application process during application sessions at Tygerberg Campus;
- 3 Once a loan is approved, all study-related fees required will be paid directly to your SU fee account;
- 4 The Tygerberg Campus Bursary office will provide administrative support for payments related to:
  - Programme and Accommodation fees
  - Books;
  - Meals;
  - Transport;
  - Equipment;
- 5 You will only start repaying this loan to Standard Bank once you start working\*.

### HOW TO APPLY

SU will invite you to open day sessions with Standard Bank where a Standard Bank agent will assist you with the loan application. Please bring along the required documentation as outlined below.

#### Required documents:

- Proof of SU Registration
- Proof of residence (where you are staying at the time of your application).
- Standard Bank transactional account / If you don't have one, Standard Bank will arrange to open one for you.
