

Diploma Workshop

5 February 2015

City Lodge Hotel, OR Tambo Airport, Gauteng

Activity:

Developing and implementing a national Diploma level training for existing primary care doctors. The workshop will focus on the development of the new national Diploma during 2015. Universities with a Diploma will give feedback on progress so far with revising the curricula and their plans for 2015. Universities without a Diploma will be assisted in preparing an application for accreditation of a new programme.
