

NARRATIVE CURRICULUM VITAE: JUSTINE CARLA BARON

Justine Carla Baron is a lecturer for the Department of Nursing and Midwifery. Her speciality is midwifery. Justine has worked most of her career in a district hospital within the Western Cape. Throughout her career she has worked in the labour ward, antenatal ward, postnatal ward and the neonatal high care, however, her passion lies within the labour ward.

Justine is in the process of completing her Research Masters in Nursing. She holds a BCurHons in Advanced Midwifery and Neonatology (Cum Laude), BCur in Nursing Education and Nursing Administration (Cum Laude) and a Diploma in Nursing (General, Psychiatry and community) and Midwifery.

In 2018, Justine was elected as the Chairperson of the Society of Midwives of South Africa (SOMSA), for the Western Cape, and also serves as one of the executive members for the national SOMSA committee.
