

NARRATIVE CURRICULUM VITAE: FRANCES DE LANGE

Frances completed her bachelors degree at Stellenbosch University in 2014 and holds a Post Graduate Diploma in Primary Care Nursing and Nursing Education.

She is currently enrolled for her masters degree in nursing, focussing on adolescents living with HIV, that is funded by the National Research Foundation (NRF).

After graduating Frances worked in various nursing disciplines that includes primary and emergency care nationally. Internationally, she worked on passenger cruise ships for 6 years where she delivered comprehensive primary and emergency care to crew and passengers.

Since March 2017, she joined the Primary Care Nursing team as one of the lecturers in the Department of Nursing and Midwifery, at Stellenbosch University,.
