

## INVITATION TO ATTEND CHPE RESEARCH DAY CALL FOR ABSTRACTS

25 May 2018

09h00-15h00

The CHPE seeks to provide a platform where healthcare professionals with an interest in educational research can network and learn together. Therefore we invite you to attend the CHPE Research Day and tell us about a health professions education research project or innovation that you are currently involved in or have recently completed. The programme will include a stimulating keynote address from a guest speaker, short oral and poster presentations.

Abstracts for educational innovations and research projects are invited from all staff of the Faculty of Medicine and Health Sciences engaged in health professions education research and scholarship.

Please submit your short, structured abstracts with the following subheadings: Background/Introduction, Aim, Methods, Findings and Conclusion [300 words max] to [mcnameel@sun.ac.za](mailto:mcnameel@sun.ac.za) by Wed 28 March 2018.

If you would like to attend the programme for purposes of 'looking in', you are also welcome, RSVP: Mrs Lorraine Louw ([llh@sun.ac.za](mailto:llh@sun.ac.za)) by 07 May 2018

For any enquiries, contact Dr Lakshini McNamee ([mcnameel@sun.ac.za](mailto:mcnameel@sun.ac.za))
