

Research and Internationalisation Development and Support
presents:

COURSE

Writing a successful NIH research grant

ELIGIBILITY AND TARGET AUDIENCE: Faculty of Medicine and Health Sciences **mid-career** and **established researchers** planning to submit NIH grant applications in the near future. Applicants who were previously unsuccessful in securing NIH grant funding will also benefit. **Previous attendance of a generic grant writing workshop is required.** *This event is **free of charge** but only open to Stellenbosch University staff, joint staff in possession of a PhD, and postdoctoral fellows. A fee will be charged for printing and preparation of course work if the selected participants fail to attend. The selected applicants will be informed by Wednesday, 30 April 2025.*

PLEASE NOTE: This is **NOT** a generic grant writing workshop; thus, suitable applicants will be selected. **This full course is a prerequisite for the NIH K43 course that will be offered during June 2025.**

CONTENT: The NIH | Grant Mechanisms | Funding Opportunity Announcement | The NIH Biosketch | Structure & Requirements of Documents | NIH Review Criteria, Scoring | Review Process | SU Requirements | Timelines | Submission Process | Budgets | Tips

FORMAT: In-person series with an opportunity for participants to ask questions and participate in discussions.

FACILITATOR: Dr Christa de Vries

Grants Management Office & Research Capacity Development and Funding Opportunities
