

SUBCOMMITTEE C OF THE RESEARCH COMMITTEE

TEMPORARY RESEARCH ASSISTANCE FOR 2023

You are kindly requested to bring to the attention of **Faculty of Medicine and Health Sciences (FMHS) full time staff** that they now have the opportunity to apply for support for Temporary Research Assistance (TRA) for 2023.

Due to a limited number of Temporary Research Assistance grants available for 2023, preference will be given to well-motivated applications from senior clinical, academic or research staff.

The following **GUIDELINES** are applicable:

Purpose

Temporary research assistance is intended **to enable senior FMHS staff to fast-track their research activities** by appointing a research assistant on an *ad hoc* basis for the period of 1 year.

Eligibility

Full time FMHS staff are eligible to apply and only **one application per person** will be considered.

Award

The **maximum amount** that can be applied for is **R30 000**. You are kindly requested not to submit applications for consideration that exceed the maximum amount of R30 000. The Human Resources division will be able to provide guidance on the hourly rate to be paid to a Temporary Research Assistant. Spouses and or other family members should not be employed as research assistants.
