IPB Notes

Dr James Lloyd should be contacted, but only in case of problems with the radio active room. (Room 2064; Cell 071 238 9249)

Leonard Adams as general technical lab assistant of the IPB is the first person that needs to be contacted in case of general issues. He also lives close by in Stellenbosch. (Room 1057: Cell 073 745 8265)

In case of safety issues that need to be reported, Farida Samodien is the person that needs to be contacted. (Room 1057 Cell 084 984 5000)

In case of a serious issue with which Leonard can not deal on his own, Christelle vd Vyver is the contact person. (Room 2061; cell 082 564 0886)
