Cover for procedures in the **DAY SURGERY NETWORK**

We cover specific procedures that can be done in a day surgery network.

About the benefit

We cover certain planned procedures in a day surgery facility. A day surgery may be inside a hospital, in a day clinic or at a standalone facility.

How to get the benefit

View the list of day surgery procedures when you click on **READ MORE** below. You must contact us to get confirmation of your procedure (called preauthorisation).

How we pay

We pay these services from your Hospital Benefit. We pay for services related to your hospital stay, including all healthcare professionals, services and medicines authorised by the Scheme.

If you use doctors, specialists and other healthcare professionals that we have a payment arrangement with, we will pay for these services in full.

When you need to pay

If you go to a facility that is not in the Smart Day Surgery Network, you will have to pay an upfront amount of R9 950.

View all day surgery network facilities using Find a healthcare provider on the Discovery app.
