WHY

Learning Outcomes:

At the end of the programme participants will be able to:

- Develop their own diversity proposal for their department or faculty.
- Deepen their understanding of work-related issues affecting women and turn obstacles into opportunities using appropriate strategies.
- Analyse their own leadership strengths and weaknesses while developing a holistic set of leadership skills and competencies.
- Strategise with the aim of recognising their strengths and use them to solve problems in their department or faculty.
- Strategically activate their female colleagues while also empowering themselves as female leaders within the university.

WHO

The programme is aimed at women leaders looking to advance within their leadership roles and expand their impact in their environments, and the greater university.

WHY

This programme focuses on enhancing leadership capabilities through guided development and focused themes, personal learning, executive coach support, and engagement with high profile leaders.

ASSESSMENT:

Participants will complete one formative assessment and one individual assignment.

COURSE MATERIAL:

Participants will receive all relevant course material in hard and soft copy formats.

Women Leadership Development Programme

Explore the core strengths of business leadership and develop practical strategies for authentic leadership styles and diversity development in your department.

Live & Interactive

SBS-ED is proud to be able to offer this programme remotely. Remote Learning allows for participants to attend classes virtually and in real-time, enabling the learning journey to continue regardless of geographic location.
