

*Arístea PSO*

*Welcomes you...*

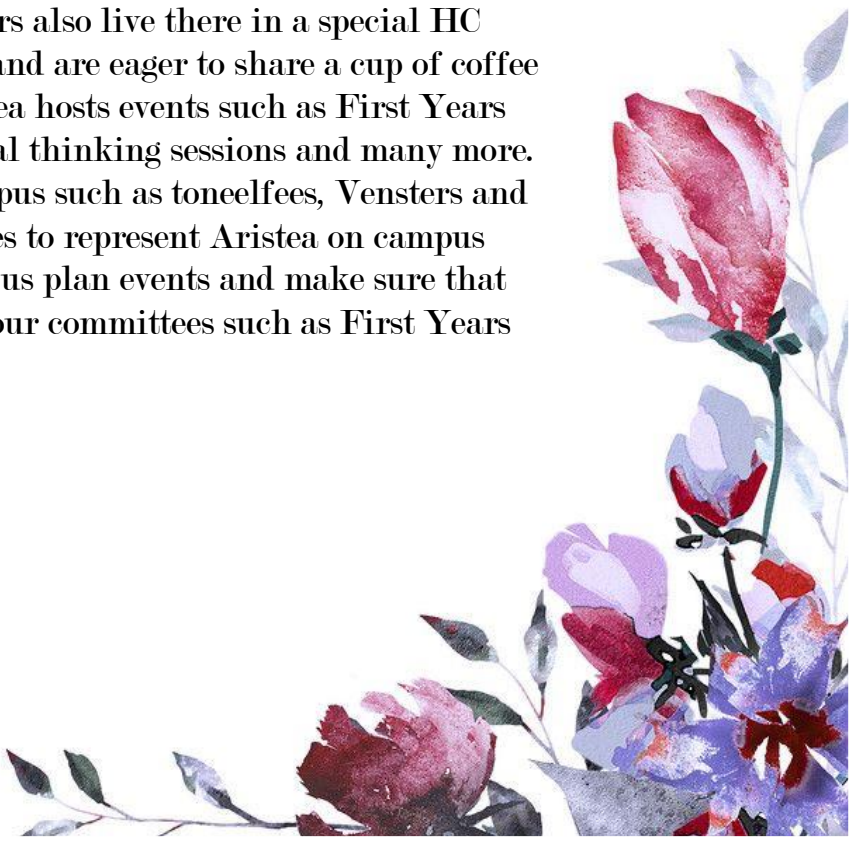

# About:

A PSO is a private student organisation. A “private student” is a student who does not live in a university residence, but rather in a flat or at home or any other form of private accommodation. All PSOs and residences are then grouped in clusters according to location. There are 7 clusters in total and Aristeia forms part of the Wimbledon Cluster. Aristeia PSO, established in 1973, is the oldest ladies PSO and one of the biggest on campus.

In 2018 Aristeia celebrated our 45th birthday by inviting Thuli Madonsela to speak to our ladies at our annual High Tea, an event to honour and thank the important women in our lives. We take pride in our ladies and our values are approachability, respect, responsibility, individuality and integrity. Aristeia is well-known on campus especially for our culture and sport. 2019 was a stellar year with our acapella group Crescendo winning SU Acapella and our hockey team ending third overall in the female hockey league. For all you netball players, hopefully you can help us bring the cup home in 2020 as we ended 2<sup>nd</sup> in our league this year. We take care of our girls and offer the perfect balance of student life for girls who are not in residences.

Our Hub is our home on campus and is nestled between Helshoogte Men's Residence and Eendrag Men's Residence. It provides study areas, couches and a deli and is also where most of our welcoming events will take place.

Most of the House Committee (HC) members also live there in a special HC House where we have an open-door policy and are eager to share a cup of coffee with our ladies. Throughout the year Aristeia hosts events such as First Years Dance, Seniors Event, House Dance, critical thinking sessions and many more. We also participate in many events on campus such as toneelfees, Vensters and Acapella. There are also many opportunities to represent Aristeia on campus such as in sport or culture, or you can help us plan events and make sure that everyone's voice is heard by joining one of our committees such as First Years Committee or House Dance committee.

# Wimbledon Cluster

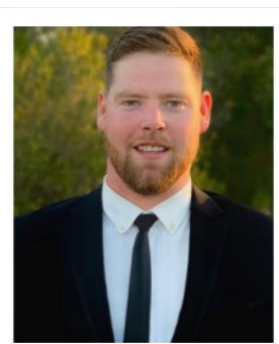

Being a part of Aristeia PSO also entails forming part of a bigger community on campus, called the Wimbledon Cluster. The Wimbledon Cluster consists of 6 different residences and PSOs who are allocated in the area surrounding the Wimbledon Hub. Our cluster consists of: Aristeia PSO, Eendrag, Helshoogte, Huis Russel Botman, Irene, Sonop and Vesta PSO. All residences and PSOs are allocated to a specific cluster and the other clusters on campus include: Validus, Rubix, AmaMaties, VicMeyer, Victoria and Tygerberg.

The purpose of a cluster is to:

- Provide platforms that enable holistic development
- Creating a home away from home and to foster belonging
- Promote active citizenship
- Integrate different members of society through engagement
- Build relationships
- Bridge gaps (gender, financial, racial, etc.)

The values of the Wimbledon Cluster are:

- Care
- Trust
- Friendship
- Freedom

Our Cluster Convenors: RG & Andre

The Golden Circle of Wimbledon Cluster:

**Why:** To create a holistic student and holistic philosophy is based on “finding identity, meaning, and purpose in life through connections to the community”

**How:** “Integration through collaboration by reinvigorating the spirit of Ubuntu”

**What:** The cluster is an extended community that is bigger than residents and PSOs but smaller than the whole university. It creates platforms that stimulate academic excellence, co-curricular development and social integration.

# PSO Coordinator:

Dear Aristeia Member, Congratulations with your acceptance at Stellenbosch University and a warm welcome to Aristeia. Being able to study at a tertiary institution is a wonderful opportunity and I wish you all the best as you enter this challenging, yet exciting, phase of your life. At Aristeia we celebrate individuality and we look forward to meeting you, get to know you and learn from your experience. We welcome you with friendliness, hospitality and human dignity and we hope to make your journey a wonderful experience. We strive to be approachable and undertake to listen with compassion and respect and to embrace your individuality. We promote innovation through future focused thought leadership.

Our PSO Coordinator

We want to encourage you to participate in as many ways as you possibly can, to build purposeful partnerships and inclusive networks, so that after your journey at Stellenbosch University and Aristeia PSO, you will leave as a well-rounded citizen. As PSO Coordinator, I am responsible for managing Aristeia, along with the House Committee and the Mentors. We are your support network that will assist with your academic and social integration at University. Please, if you have any questions, do not hesitate to ask. Aristeia believes in a value driven system.

We consider these values in everything we do and all activities that we host and participate in. This also mean that we keep one another accountable for our decisions and actions, based on our values. I hope that you will quickly become part of Aristeia and that you will, above and beyond your course, also learn about humanity and life itself; that you will open yourself to new experiences and always be proud of every step you take towards reaching your goal.

Best wishes,

# House Committee

My name is Summer Robertson and I am your Primaria for 2020. I am looking forward to meeting our new Arries and welcome you all into this exciting phase of your life. Aristeia is the best decision I have made in my university career. The lessons I have learnt, the growth I have experienced and the friends I have made have played fundamental roles in shaping who I am today. My name and hair match my positive and fiery personality. I say "live your best life" way too much and I am Aristeia's designated local DJ (DJGingerZing - don't even ask). I have such a passion to help young women blossom and so I cannot wait to witness you all fulfil your potential over your university years through Aristeia! Deep breath, you got this, and I will be there every step of the way.

#BackyourArries

Hello fellow Arries

I am your Vice-Primaria and I am so excited to meet all of you! I can't wait to share all that Aristeia has done for me with all of you and I am so excited for our family to grow! My portfolios are Cluster (our extended family), safety, (yes I'll tend to all boeboes and heart aches), social media and marketing, keep your eyes out for all the events that you can take part in! You are more than welcome to give our social media a little stalk if you want to know more about your new home away from home. My hope for all of you is that you will find yourself this coming year and get to experience all the amazing things Aristeia has to offer. Remember to keep your heart and mind open and welcome to the best time of your life.

**Head Mentor**

Hello and welcome to Aristeia! My name is Sarah Hoek and I am your Head Mentor. At Aristeia, we believe that everyone is welcome and part of the sisterhood, and part of my job is to make sure that you find your place to thrive within our family! By embracing the new opportunities on campus and within Aristeia, I truly believe your time at university will be the best years of your life, and myself and the mentors are so excited to meet you and to walk this new journey with you. Welcome to Aristeia, new Arrie!

**Juliandri Grobler**

**Financial Manager**

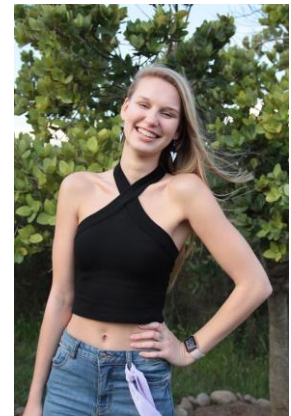

My name is Juliandri Grobler and I am very excited to welcome you to our Aristeia sisterhood!

I love reading and spend way too much of my time napping. Being from Namibia, Aristeia is truly my home away from home and where I met some of my best friends. Next year I will be doing my honours in Quantitative Management and will also be your Financial Manager and sponsors HC. My goal for the year is to make sure that nobody is excluded from an Aristeia event because of financial reasons. Feel to contact me whenever you have any finance related questions or suggestions. I cannot wait to meet you next year and am sure you are going to love every second of being an Arrie!

My name is Abi Janse van Rensburg, your Welcoming leader for the exciting upcoming welcoming period! I know this is an overwhelming amount of info being thrown at you in one booklet, but I can tell you that should you choose to participate in the Arrie-way of life you are joining a close-knit family who will love and support you through your university career. I am here if you feel uncomfortable or don't know where you are, or you just want someone to have a cup of tea with! I'm a not-so-much-closet F.R.I.E.N.D.S fan, ailurophile and I apologise in advance for my atrocious dancing, blame my freestyle dance teacher Renata Bliss. I can't wait to see you all!

Hey fellow Arrie sister! We are so excited to have you join us soon. It is both an honour and a privilege to welcome you into our beautiful home away from home. I am currently a second year BSC student and well, let me just say that we do our best to get by! I'm a sucker for novels and long walks. These two activities are what get me by in university. One can never fully prepare you for the varsity life, but there's nothing more wonderful than being able to grow and blossom into a woman of mind and heart alongside amazing Arrie sisters. I'm hoping to laugh together, cry together but most of all, get to have the most incredible time together as a family. My favourite quote simply says, "nothing can dim the light that shines from within." It's hard sometimes amidst so many people to be yourself but always remember that there's nothing more beautiful and precious than being you. No one else can do you better than you.

With that said, I can't wait to meet you!

# House Committee

Hey lovely ladies, my name is Tamara Blignaut and I head Social Impact and Seniors Committee within Aristeia PSO. I am so excited for you all to join us next year. Aristeia PSO truly embodies the saying "Empowered women empower women". Being part of a community that recognises the strength and wisdom of every person has been a refreshing experience and I am so happy to share this space with all of you!

**Culture &  
Merchandise**

Hello lovely ladies! I'm Cass and I'm your Culture and Merchandise HC. I, and the whole house committee and all the seniors of Aristeia are so excited to have you join us. We are a diverse group, kind, compassionate, empathetic and energetic women who were put together by chance but have decided to stay together by choice. My goal for this year is to facilitate growth and encourage all the good experiences University and being in Aristeia will give you access too. Take the opportunities that come your way, make a friend or two and just get ready for a really cool ride. This first year will not be easy, but you will soon realize that our house is here to help and support you. I encourage participation in whatever peaks your fancy, maybe Acapella, maybe netball, maybe even debating. Cultural activities are a fantastic way to integrate yourself into this wonderful group of women and I hope that we nurture an environment where you feel comfortable and excited to join in.

To the newcomers of Aristeia

Welcome to your new chapter. This is a new chapter for me too. I am a former Primarius of Eendrag Men's Residence- which has been my home for the past few years. In the upcoming year- I will be doing my Honours in Actuarial Science and continue with campus leadership in a few areas, including serving as Aristeia's strategic advisor. Next year, you will very quickly realise how much passion and care exists in Aristeia. It is something I experienced even before I became a HC member. My wish for you is that in 2020 you will make meaningful, fun, lasting connections and that in welcoming week and even throughout the year, we can help facilitate that.

I look forward to meeting you.

# Social Impact

This year, Aristeia will be working alongside Irene and Dagbreek for our Community interaction Morning on the 30<sup>th</sup> of January 2020.

Each year we as house choose an organisation in the community that we feel could use the love and support and this year we have decided to support 3 different aspects of the community. We will be cleaning up around the Eerste Rivier, making sandwiches for a food bank in Stellenbosch and donating books to a school in Cloetesville.

For this last one we need your help!

**Please bring along any new or old reading books on any day during Welcoming before the 30<sup>th</sup> to donate to these underprivileged school children. Any books suitable for GrR-7 are welcome!!**

As Social Impact HC for 2020, I also have the Social Impact committee that consists of group of ladies who are all passionate to serve and help other. These ladies help Aristeia and the Wimbledon Cluster achieve their goals in serving others. There will always be room for more volunteers – the more the merrier. I ask you to, if you are passionate about helping others, please volunteer your services. Together we could help the people in the community. Feel free to contact me if you might have any questions about our outreaches throughout the year.

# House Song

In a time of mass confusion

Where everything is strange and new I join a sisterhood

My home away from home

A group I know that will pull me through.

Aristea is a space, where I feel safe

And discover who I am

A network to reach higher heights.

We are women of mind and heart

Standing together from the start

To reach our full potential And surpass our own destiny.

So kom nou saam, my susters

Laat ons die tyd saam aanpak

Met liefde, respek en menslikheid

Is daar niks om ons toekoms te verbleik

End of Welcoming Week

UNIVERSITEIT•STELLENBOSCH•UNIVERSITY

December 2020

Dear Student

**CHARGING FIRST YEAR WELCOMING PACKAGES TO STUDENT ACCOUNTS** Welcome to the PSO community of Stellenbosch University! You have been assigned to a PSO (private student organisation) due to the fact that you have not elected to stay in a residence in 2020. During the annual welcoming period in the beginning of the year, residences and PSOs take responsibility for exposing first years to Stellenbosch University in a welcoming manner.

Because PSOs do not have a dining hall (although some PSO's will arrange meals for their students in dining halls during the welcoming period) where students can enjoy meals, PSO first years are provided with "welcoming packages". These packages usually consist of a number of meals, clothing, water bottles, caps and other items unique to the particular PSO. During PSO registration on the first day of Welcoming (Wednesday, 22 January 2020), you will have the option of purchasing one of these welcoming packages at a set price (which may vary from PSO to PSO). Each PSO will also offer different options (both clothing and meals, only meals, only clothing, etc.) that students can then select. Please see the bottom of this email for more information.

Stellenbosch University utilizes a cashless system to allow students to purchase these packages hassle free. You, or your parents or guardian, will have to sign an acknowledgement of debt on the day so that the clothing, food, etc. for the welcoming period can be made available to you. After registration the cost will be charged to your student account to be paid with all other student-related expenses. **Please note that once the form is signed you will be liable for the costs of the package selected, regardless of you having all the meals or not, or not wanting the clothing after the first few days.**

Acquiring the "welcoming packages" is not compulsory, but we do want to encourage you to take the opportunity to do so as it will make your welcoming period a much more enjoyable experience. Please find attached the form for your completion. You are welcome to print the form and bring it along.

If you have any questions, feel free to contact me at 021-808 3023 / 2791 or [psos@sun.ac.za](mailto:psos@sun.ac.za)

Desember 2019

Beste Student,

**HEFFING VAN VERWELKOMINGSPAKKIE-KOSTES OP STUDENTEREKENING** Welkom by die PSO-gemeenskap van die Stellenbosch Universiteit! Aangesien jy nie in 'n koshuis woonagtig is nie, is jy in 'n PSO (Privaat Studente Organisasie) ingedeel. Tydens die jaarlikse Verwelkomingsperiode neem koshuise en PSO's verantwoordelikheid om die eerstejaars op 'n verwelkomende wyse aan Stellenbosch Universiteit bloot te stel.

Aangesien die PSO's nie oor 'n eetsaal beskik waar studente maaltye kan geniet nie, (alhoewel daar reëlins getref word deur sommige PSO's om etes in die oop eetsale te geniet), word daar vir die eerstejaars “verwelkomingspakkies” saamgestel. Dit bestaan gewoonlik uit 'n sekere aantal maaltye, klerasie, waterbottels, pette, en soortgelyke items wat eie is aan die betrokke PSO. Tydens registrasie by die PSO op die eerste dag van Verwelkoming (Woensdag, 22 Januarie 2020) het u die opsie om hierdie verwelkomingspakkies aan te skaf teen 'n vasgestelde bedrag (wat kan wissel van PSO tot PSO). Elke PSO bied ook verskillende opsies aan student (etes en klerasie / slegs etes / slegs klerasie).

Stellenbosch Universiteit maak gebruik van 'n kontantvrye sisteem wat studente in staat stel om die pakkies makliker te verkry. U, of u ouers of voog, gaan dus op die dag 'n erkenning van skuld moet teken sodat die klerasie, voedsel, ens vir die verwelkomingsperiode aan u beskikbaar gestel kan word. Na registrasie sal die koste dan teen die betrokke studenterekening gehef word vir betaling saam met alle ander studentverwante uitgawes. Neem asseblief kennis dat sodra u die vorm onderteken het, u aanspreeklik sal wees vir die koste van die verkose pakkie, ongeag of u al u etes geneem het en ongeag of u die klerasie nie meer wil hê of dra na die eerste paar dae nie.

Die verkryging van die “verwelkomingspakkies” is nie verpligtend nie, maar ons wil u tog aanmoedig om dit wel op te neem. Vind asseblief aangeheg die vorm vir u voltooiing. U is welkom om dit saam te bring volgende jaar.

Indien u enige vrae het, kontak ons gerus by 021-808 3023/2791 / [pso@sun.ac.za](mailto:pso@sun.ac.za)

Vriendelike groete,
