WELCOME CAPRI MEMBER!

What an honour for Capri PSO to have you joining us in 2020! You might have a LOT of questions and we do not blame you for it. The transition from a known environment to University is linked to a lot of feelings. Excitement, mixed with a little (or a lot) of stress and confusion are some of the many feelings building up as the days get less and less before setting foot on Stellenbosch Campus. Do not fear! This booklet is the answer to increasing those excitement levels and decreasing the stress and confusion. Now let's start from the beginning. Capri PSO is a Private Student Organization (one of ten on campus) that ensures that all private-living students receive the campus experience that they deserve! So no, we are not a residence that offers living space. We are a community that is formed out of many private-living students to ensure that you get the opportunities and experience that residence students get. So what does that mean? We offer you everything that a residence offers their members, but with much more freedom because you choose to stare into Capri members' faces at events. We strive to keep those faces happy though. As a Capri member, you will have the opportunity to participate in a full welcoming programme and learn EVERYTHING you need to know about Capri and university life. If this hasn't decreased those stress and confusion levels yet, take a look at these beautiful faces that will be guiding you through your welcoming journey on arrival.

VISION:

We as Capri strive to create a unified, valued-driven platform, where our members can grow into passionate leaders. We aspire to be inclusive by providing opportunities for every member to express their individuality, while ensuring respect for their diversity, in order for them to feel accepted within Capri. We aspire to reflect not only our values but also the values of Stellenbosch University and our clusters' values in everything we do to provide the best experience for our members.

HOUSE COMMITTEE

2020

This is Capri's House Committee for 2020. This is a leadership structure which ensures that Capri members feel at home. We ensure that Capri members receive the opportunity to maintain a well-balanced life – socially, physically, culturally and academically (to be explained in "What Capri Offers You"). We guide our community by planning and hosting various events and opportunities as well as availing ourselves when advice is needed. We accomplish this by adhering to the values of Capri. We are here to ensure that every member walking into Capri, walks out as a well-balanced student, individual, leader and Capri member with many memories to cherish forever.

LEANA RABIE

PRIMARIA

Hello! My name, as you can see, is Leana Rabie and I am the Primaria of Capri (2020). I am a final year BSc Chemistry and Polymer Science student. The feeling in my chest that I am experiencing when thinking about welcoming you into Capri is not something that I can put into words. I think the best that I can describe it is that feeling that you get just before taking a dive under the MASSIVE wave you see coming your way, while swimming at the beach, and wondering whether this wave is going to completely throw you off your feet or be the best dive you took when coming out on the other side with that refreshing salt water feeling in your face and hair. (I am really sorry if you do not like swimming in the sea. If you would like another metaphor that explains this feeling, find me at welcoming week and request a more applicable metaphor. I will be ready to throw my average philosophical skills your way ☺). Anyways ... this feeling in my chest is there because I know that Capri will be the wave that gives you the best dive and leaves that refreshing feeling behind. Capri is my home away from home. I throw my soul into everything I do for Capri because I know that Capri will not just be a memory left behind when I walk out of University, Capri will be one of the major influences that shaped me to be the hard-working, balanced and experienced leader that I am when walking into the big world. I hope that you can experience that feeling when you walk into Capri. It is the biggest honour for me to lead Capri and I will try my best to let Capri feel like a home away from home for you. Welcome to the best time of your life! We have an amazing year planned for you!

LANA DU TOIT

VICE-PRIMARIA

Hello Capri member! My name is Lana du Toit and I am your Vice-Primaria. I study BA Humanities, I love avo, hate mayo, I can solve a rubix cube and I have lived in 15 different houses.

As you look through this booklet you will note that my head doesn't cover half as much of the lights as the rest of the House Committee members, that is because I am a solid 1,52cm tall. Even though I am very small, you will definitely be able to see me at all times during welcoming as I was informed that a huge neon helium balloon will be part of my daily outfit on every day of welcoming, which I cannot wait for!

You will hear this a lot but luckily with good reason, Capri is one big family. It's a place where you can feel safe, have a lot of fun, and get away from thing whenever you feel like it. Capri has completely changed my life and I am so excited to share this passion that is Capri with you throughout your university life.

If you are in any way like I was when I received my booklet you are extremely confused and very stressed about the road ahead but I am here to tell you that a PSO is one of the best things w-that ever happened to me. This booklet will explain everything and hopefully fill you with excitement for what's to come! See you soon!

CHRIS RHEEDER

SPORTS

WELCOMING LEADER

Using only a stick and a large glass of water, I once single-handedly defended a small village in the Amazon Basin from a horde of ferocious army ants. I play bluegrass cello, I was scouted by the Mets, I am the subject of numerous documentaries. When I'm bored, I build large suspension bridges from my room to the fridge. I enjoy urban bush diving. On Wednesdays, after class, I repair solar panel bicycles free of charge.

JK

I spend most of my time trying to be active, hanging out with friends or chilling it out in front of the Playstation.

Capri has become the place where I can be anything I want and be accepted for it. The community is very supportive and gave me the opportunity to grow as a person. Capri is filled with people that is fun to be around and creates an environment to make friends you'll never forget.

JONEILLE BENADE

SPONSORS

COMMITTEES

Welcome to your new family away from home! I hope you're ready for the best and the most challenging time of your life. Luckily you have a whole PSO of people to be your support, as well as a necessary distraction every once in a while. I cannot wait to meet each and every one of you!

As "Committees and Sponsors" house committee member, I am going to get a lot to do with all the newcomers through the First-years Committee, as well as a whole bunch of other stuff. Be sure to get ready for one incredible year. One quick tip I can give you for surviving university is to be sure to participate in everything you want to and never be scared to try something new or weird, I would have never eaten sushi for example if I hadn't done that. We're excited to see you grow and help you develop in the next chapter of your life.

See you at registration!

I'll be the one with the big hair and the bigger laugh

MELISSA PRETORIUS

SECRETARY

Hallo Capri New-comer!

I am Melissa Pretorius, your secretary for 2020. I am now going into my second year of LLB Law (hopefully) and I'm extremely grateful to be a part of Stellenbosch University and Capri PSO.

I, myself, was also where you were last year- feeling very overwhelmed to come to university and believe me when I tell you that the leaders of Capri really helped me to work through it and have the best time ever!

I am so passionate about Capri and my wish is that you will feel like this as well. We are a family and we cannot wait to welcome you into our ekhaya, home and tuis. I will be here to answer any questions you might have or to clarify things you might be unsure of. We organized a great welcoming week for you to make you feel at home and to make the transition to university a bit easier.

Well done for getting accepted into the university and I wish you all the best for your studies ahead!

See you soon and enjoy your well-deserved holiday! Xx

My name is Jason Reid and my portfolios include cluster, sustainability, alumni, maintenance and social manager. Wow that's a mouth full. I cannot wait for the great year to come and all the possibilities it holds for you. A little background about myself. I'm from a tiny town called Sedgefield in the Garden Route where I've basically lived my entire life. I have a huge love for sailing and the greatest passion for the environment and the preservation thereof. Capri is a great family where I have had the opportunity to make lifetimes friends and memories. I really look forward to meeting you all in the weeks to come and hope to help you make Capri your home as well.

I am Bianca Pretorius. My House Committee Portfolio includes: Head Mentor & Manager of the Seniors Committee.

I am currently studying International Studies and I will (hopefully) finish my degree at the end of 2020.

You are probably still overwhelmed with the "unknown" of university life but know that we (the House Committee and the Mentors) are backing you 120% and we will guide and support you for as long as you may need.

CARMIA LEONARD

MERCHANDISE AND CLOTHING

SOCIAL MANAGER/CLUSTER

Hi future fellow Capri members!

My name is Carmia Leonard and I am entering my final year of my LLB degree. I am also your merchandise and clothing HK.

I am a very sociable/chatty person and I can promise you my door will always be open if you need advice, want to drink some tea or need a place to take an afternoon nap in-between classes.

Welcome to this new chapter in your life, I cannot wait to be a part of it and to get to know all of you.

The next few years at Stellenbosch University will be the best years of your life and we here at Capri will create lifelong friendships with you and create memories you will cherish forever.

Embrace every moment and do not be afraid to try new things and make some mistakes along the way.

I am so excited to meet all of you!

He is standing on a balcony with a black metal railing, leaning against it with his hands in his pockets. The background shows a modern building with large windows and a balcony with a black lamp.

PETRIE FRICK

FINANCIAL MANAGER

I'm Petrie Frick, currently studying BAcc and I am the financial manager of Capri PSO for 2020. I am someone that loves to social and I am always up for a challenge! I enjoy my sports and love to travel and being outdoors (definitely an adrenaline junkie). Spearfishing and exercising are part of my hobbies. Much like you when I came to university, I had no idea what a PSO is and did not want to participate in their activities. But I learned that a PSO sets an environment where you can meet new people, grow in yourself and if you're in Capri... What a bonus.

SOCIAL MEDIA AND MARKETING

SOCIAL IMPACT/MAINTENANCE

Hi future Capri member. My name is Amy and believe it or not, last year I was exactly where you are right now. Receiving my email from the university and being very confused about what a PSO is, but don't worry all will be explained (that's the reason for this booklet).

I'm a first year studying BA International Studies. My portfolios are Social Media and Marketing as well as Social Impact and lastly Maintenance.

Capri is my second home. It's a place where I've made some of my closest friends and best memories. I understand how anxious you must be about this whole university thing. I'm not going to lie, you're in for a bit of a culture shock, but that's why I'm here. I love crime shows so if you ever want to come speak to me about Criminal Minds or Mindhunter, please do. If that isn't your cup of tea, I love Harry Potter too. And if you don't like either, still come have a chat with me. The mentors and the entire house committee are all here to make sure that you have the smoothest transition into university life. I can't wait to meet you and watch you make your very own set of unforgettable memories.

See you soon

From board games to beer, fantasy to food, debating to dance, and Harry Potter any time of the year, are just some of the things I enjoy in my free time. I love to make jokes and laugh with others. At the same time, engaging with and fixing problems are also my passions. That is why I love to be a part of Capri as well. Our house stands for honesty, friendship and justice and we realize these ideals through adhering to our core values of Ubuntu, Innovation and Trots. We are an open, constantly evolving house that welcomes any opportunity to grow and better ourselves for you. WHAT IS A CLUSTER?

A cluster is a larger student community that comprises of various residences and PSOs.

At Stellenbosch University there are seven clusters. Namely amaMaties, VicMyer, Rubix, TygerMaties, Validus, Victoria and Wimbledon.

The clusters are a platform that allow students to form a part of a larger community outside of their residence or PSO. This allows student communities to build ties and initiates dialogue between students of the larger social structure. By allowing open communication between the communities it provides a platform where students can voice their concerns with the university.

Apart from allowing communication the clusters also provide a platform for academic and mental support. This is can be provided through numerus social, academic, cultural and sporting events that the clusters hold throughout the year. The clusters also provide higher leadership development for members.

Capri forms part of the amaMaties Cluster along with other PSOs; Equite and Oslo, and five other residences; Serruria, Nemesia, Erica, Huis Neethling and Helderberg. There are many facilities that are provided by the amaMaties cluster. Namely, the amaMaties hub (a multipurpose area), Tinie Louw dining hall, the Deli “tuckshop”, a braai area and the Loft for recreational purposes.

**WHAT TO
LOOK
FORWARD TO...**

HUISDANS/HOUSE DANCE

This is the event of the year and you wouldn't want to miss it! there's just something special about an evening where you can dress up with your friends, have good food, good music and the best evening of the year - ask anyone, they will agree to this! this is a formal event that's usually around the month of August.

FIRST YEARS DANCE

Get ready to dress up and put on your dancing shoes because First Year's Dance is a semi-formal event hosted amidst the chaos of first semester and is the best distraction before your first exams. This is the perfect event to reconnect with old connections made during welcoming week or to create new ones amongst other newcomers.

JOOLTOER/TOUR

Jooltoer/tour is an annual Camp during the month of December where most communities in Stellenbosch go away for a few days of fun to bond with our jool/connect partners for the following year. All the communities at the university usually go away at the same time, to roughly the same destinations to get to know each other to provide the best possible Vensters which is during welcoming, and also to let off some steam as it's right after exams. It's usually 4 nights, at 2 different locations where we camp, chill on the beach, sit around a fire and lose a huge amount of sleep. It's the perfect way to kick off your well deserved December after a year of hard work. Hope you are just as excited as we are.

HUISFONDSDANS

If you love theme parties and dressing up then this is the event for you. Huisfondsdans has a strict dress code, so be sure to dress according to theme or risk standing out. This event is ideal to get you out of your comfort zone and creates the best picture perfect moment.

JOHNSON-DUNMAN GOLFDAY

Capri, Pieke and Venustia presents Johnson-Dunman Golf Day. This is a fundraiser where Capri members can sign up to compete head-on-head (or chip-on-chip) with Pieke and Venustia on the golf course. It is a perfect day to get your swing in, chill in the sun and let your caddies carry your bag for you.

CAPRI WEEK

Let's paint Stellenbosch Turquoise! Capri week is a week filled with Capri-related events, activities and socials. This is a week where you need to take your dancing shoes out, get your voice ready and let your loved ones know that you are going to be busy! Every Capri member knows that Capri week is a MUST. We host events like: house socials, house dance, movie night, amazing race, House Committee elections and many-many more! Stellenbosch will know, and you will know, that Capri is taking over the town.

KKNK

Klein-Karoo Nasionale Kunstefees. KKNK is a music and drama festival held annually in Oudtshoorn and we form university groups amongst ourselves (different communities) that attends KKNK together. We go camping as a group and ticket prices usually include camping and merchandise. Stellenbosch University drama students regularly perform at KKNK and we, as students, go to support our fellow students. You also get the option to book your own shows to watch.

PRO-MERITO

Pro-Merito is our Capri awards-giving evening where we celebrate our members' achievements and reminisce on the year that has passed. It is a semi-formal event where we all get together and celebrate Capri. This is usually an end-of-the-year-function so we intend to make it a BIG one. Don't worry, it isn't one of those evenings where you need to sit down and keep quiet the whole time. Come on? Do you really think we won't get some laughter out of you? Of course we need to expose some of the funny situations that Capri members got themselves into throughout the year as well - so watch out, we have eyes everywhere .

The background of the image is a light blue color with a textured, brushstroke-like appearance. The blue area is irregular and has feathered edges, giving it a hand-painted feel. It occupies the central portion of the image, leaving white space at the top and bottom.

WHAT CAPRI HAS TO OFFER

our Capri **COMMITTEES**

First Years committee

This committee is very important to us because it gives you a chance to work on leadership with us. This is a very rewarding job which includes meeting a lot of new people, building new relationships, planning your own events or helping out with the planning of events throughout the year.

Seniors Committee

The Seniors Committee is our “fun” committee meaning that this committee does not receive any formal training. The Seniors Committee

is responsible for organizing socials for Capri Seniors and also responsible

for our Capri Seniors Dance. During Welcoming Week you will be seeing this committee a lot throughout the week where they will give advice from a “big brother”, “big sister” point of view.

Mentors

Here at Capri we love to keep our members involved, we try to create as many opportunities as possible to create and develop leaders. Capri offers members the opportunity to become a mentor in their second year, part of this program a mentor receives training and are invited to many conversations which ensures leadership development and building relationships with people outside of your immediate community. Many may also see the mentor program as a stepping stone in becoming a member of the House Committee because the training you receive during your term as a mentor creates the perfect foundation for you to build upon. Being a mentor will also reflect on your transcript as you will receive formal acknowledgement from the university.

WHAT CAPRI OFFERS

Capri CULTURE

Culture inspires us. Culture shapes us. Culture unites us. By sharing our talents and supporting one another it creates an everlasting familial bond. We aim to provide an uplifting environment where you will be able to grow alongside your fellow Capri members. With culture evenings, talent shows, game nights and a variety of other events taking place throughout the year, there are many opportunities for you to form meaningful connections and leave your mark.

Molassesêr

is a mass event where all the newcomers get the opportunity to compete against other houses in a spectacular show that fuses dance, music and drama. Let out your inner Meryl Streep out, and join in the excitement.

A Cappella

A cappella is the creation of music by only using ones voice and body as instruments. SU A cappella is an annual event where groups campus wide compete to be crowned as champions. If you like to sing, dance, work hard and have loads of fun, then “Capri-pella” is a must for you! Come show off your vocal talents and audition for “Capri-pella”. Limited space available, so bring your A game.

Capri

CULTURE

Toneelfees

Toneelfees is an opportunity for amateur writers, directors and actors to put their passion on display. The competition is open to anyone and everyone. Bring your story to life on stage.

Debating

If you enjoy public speaking and critical dissection of current topics, join the debating team. Clash head-on with like-minded and not so like-minded individuals in a contest of wit and insight.

WHAT CAPRI OFFERS

Capri

SPORTS

SPORTS WE OFFER

Capri provides a wide variety of sports for you to compete in. We encourage mass participation in all sports because participating in a sport gives you the opportunity to build friendships and most importantly, to have fun.

Sport is also a fun way to keep active and relieve stress in a busy University schedule.

Capri sports include:

Rugby

Netball

Hockey

Soccer

Tennis

Table Tennis

Cricket

We definitely are very proud when it comes to the competitiveness of our sport, with Capri winning the u20 Rugby League, the Soccer League and the Netball League in 2019. This is really a very big feat for a PSO and we hope to continue to reach the highest achievements in 2020.

Capri

SOCIAL IMPACT

WHAT IS SOCIAL IMPACT?

Social Impact is a way for our PSO to focus on the principles of community engagement, leadership and active citizenship. Stellenbosch University views Social Impact as the evaluable change incurred through mutually beneficial associations, collaborations and partnerships between the university (staff, students and alumni), and external societal partners in government, industry and the various institutions of civil society.

Capri encourages all members to participate in our Social Impact initiatives throughout the year. The first project we will be hosting will be during Orientation Week. Capri, teaming up with Helderberg Ocean Awareness or Clean C will be hosting a beach clean-up.

This will be our Community Morning Project for 2020. We would love for all our new-commers to participate and help with the problem of plastic pollution. As a PSO we will also have a large Social Impact project that will be run through the year. More information will be communicated to you during or after your orientation week.

Capri hopes to see you take part in these projects and encourages you to make positive changes in your community, no matter how small. Come speak to your Social Impact house committee members for more information.

Our Capri

SECTION GROUPS

WHAT IS A SECTION GROUP?

We have three sections within Capri.

1) Terra

2) Aqua

3) Aria

Section groups are formed to keep all Capri members in touch throughout their University life. Section groups even tend to keep Capri members in touch after leaving University! Various section days will be hosted during the year so that Capri members can get together and bond. A little bit of competition between sections, to keep things spicy, is incorporated through section games. Sections participate in various activities (sport, culture and social) throughout the year and compete against one another on a point-based system. Yes, there will always be an award .

VENSTERS

This is an annual festival at Stellenbosch University where all the PSO's and residences partner up and create an epic show to raise awareness and funds for a social impact project and the entire Western Cape comes to experience it. Every year it is the biggest event in the whole of Stellenbosch and every single Maties student has participated in Vensters during their first year. This year we are partnered with Academia and Huis Neethling. During Vensters you, as our first years, act and dance and have one of the best nights of your career as a student at the University of Stellenbosch for a good cause! We will be practicing for this show throughout the welcoming period and the last day will be the night of Vensters. Remember to invite your whole family and all of your friend to come and watch you dance and act your way into becoming a true Matie.

Dear Student

CHARGING FIRST YEAR PACKETS TO STUDENT ACCOUNTS

Welcome to the PSO community of Stellenbosch University! You have been assigned to a PSO (private student organisation) due to the fact that you have not elected to stay in a residence in 2020. During the annual welcoming period in the beginning of the year, residences and PSOs take responsibility for exposing first years to Stellenbosch University in a welcoming manner.

Because PSO's do not have a dining hall (although some PSO's will arrange meals for their students in dining halls during the welcoming period) where students can enjoy meals, PSO first years are provided with "welcoming packages". These packages usually consist of a number of meals, clothing, water bottles, caps and other items unique to the particular PSO. During PSO registration on the first day of Welcoming (Wednesday, 22 January 2020), you will have the option of purchasing one of these welcoming packages at a set price (which may vary from PSO to PSO). Each PSO will also offer different options (both clothing and meals, only meals, only clothing, etc.) that students can then select. Please see the bottom of this email for more information.

Stellenbosch University utilizes a cashless system to allow students to purchase these packages hassle free. You, or your parents or guardian, will have to sign an acknowledgment of debt on the day so that the clothing, food, etc. for the welcoming period can be made available to you. After registration the cost will be charged to your student account to be paid with all other student-related expenses. Please note that once the form is signed you will be liable for the costs of the package selected, regardless of you having all the meals or not, or not wanting the clothing after the first few days.

Acquiring the "welcoming package" is not compulsory, but we do want to encourage you to take the opportunity to do so as it will make your welcoming period a much more enjoyable experience. Please find attached the form for your completion. You are welcome to print the form and bring it along.

If you have any questions, feel free to contact me at 021-808 3023 / 2791 or psosun@sun.ac.za
