

Oude Molen PSO

Welcoming Letter 2019

Est. 1973

Dear Prospective Mol

First of all, a hearty congratulations on your acceptance to Stellenbosch University for 2019, and furthermore, we would like to congratulate you on your placement into Oude Molen PSO (Private Student Organisation). Oude Molen is an active student community which provides you with the same opportunities in terms of the student experience and activities as a residence, for students who reside in their own private accommodation. PSO's form the heart of Stellenbosch University, making up around 70% of the student population. All 11 PSO's provide incredible support to those who do not live in University residences and enrich the lives of all their members. Please note that PSO's do not provide accommodation, and all PSO students should arrange their own accommodation and *transport.

*Please note that the University does provide shuttle services to surrounding areas for students who live outside of Stellenbosch.

Oude Molen was established in 1973 as one of the first three male PSO's on campus, and over the past 45 years, has developed a rich heritage and has, and continues to produce individuals with incredible character and integrity, all different in their skills and personalities, yet all united by their "home away from home", that is the Oude Molen community, and all brimming with a sense of passion and energy in their day-to-day activities.

Governed by our values of Inclusivity, Balance, Belonging, Respect and Unity, Oude Molen provides the perfect platform for each individual to flourish during the university career and really make their experience here one that they will cherish for the rest of their lives.

Driven by the phrase, "Een keer 'n Mol, Altyd 'n Mol", or once a Mol, always a Mol, we truly have a unique community that is driven by a true brotherhood which exists within the PSO.

Oude Molen members, or "Molle", have been extremely successful in all university activities, such as sport, culture and academics. On the sports fields, Oude Molen has shown particular success on the cricket and hockey fields, around the squash court, and has always been a strong presence within the PSO Barbarians on the rugby field. For our more culturally inclined Molle, we have also shown tremendous success in Toneelfees, which consists of plays written, directed and acted out by our members, and SU Acapella, formerly known as Kleinsêr, which is an acapella singing competition.

Above all else, however, Oude Molen places particular focus on academic support to our first year students in particular. This is achieved primarily through our Mentor program, which will be explained in more detail further on in this letter, but this essentially aims to provide each newcomer with a senior mentor in the same faculty as them, who is able assist the student with any academic help he may require.

On the social front, even though all the Molle in Stellenbosch do not live under the same roof, we have an incredible energy and spirit, and maintain this through many events that we host throughout the year, from formal house dances to sports days, to simple braais at our PSO House, known as "Rietdak", or the HK House.

During the Welcoming Week, 24 January to 2 February 2019, Oude Molen will help you on your journey to becoming a Matie! A full program has been developed to ensure that you receive the best possible start to your university career, and that you are well acquainted with the campus and town, and have at least made a few friends before classes commence on 4 February. During this week, you will be assisted with your registration, introduced to all that Stellenbosch University has to offer, and will be introduced to some amazing people in other PSO's and residences through socials that are incorporated into the program.

The Welcoming period culminates with the "Vensters" festival, which is an age-old tradition where the newcomers put on performances with our Connect Partners. Our partners for 2019 are the lovely humans of Lydia 'ladies' residence, who you will get to know well in the preparation for Vensters.

The Welcoming Leaders for 2019 will be Bevan Mandy and JP van der Westhuizen, and they will be responsible for ensuring a comfortable transition into this new stage of your life, and incorporate you fully into Oude Molen as you become a fellow Mol, and making sure you feel comfortable taking part in Oude Molen activities. Your wellbeing is our main concern, and if any problems arise, they will only be glad to assist you and will do everything in their power to solve the problem.

Below, please see the information regarding the initial meeting on 24 January 2019 at 09:00 below:

Date: 24 January 2019
Time: 09:00
Venue: JC Smuts A201
(if you cannot find this venue,
please come to 149 Banghoek
Road, which is the PSO
House, and we will escort you
to the venue which is very
closeby)

During the initial meeting, we as the House Committee, will meet the new Molle of 2019, and it will also form as general information session about the PSO and specifically about the Welcoming Week. Your parents are more than welcome to attend this meeting, and we will have a session afterwards where we speak with parents and answer any specific questions that they might have. It will also be awesome for your parents to see your new family in Oude Molen! This session will be quite brief, no longer than 45 minutes, as we will jump straight into the welcoming program thereafter.

Dear Oude Molen Member,

Congratulations on your acceptance at Stellenbosch University and welcome at Oude Molen. To be able to study at a tertiary institution is a wonderful opportunity and I wish you only the best for this new and exciting chapter that will soon start. We are excited to walk this journey with you. My wish for you is that you will succeed at Stellenbosch University and that you will see each challenge as an opportunity to grow.

Message From The Prim

I feel it a great honour to have the privilege of welcoming you into Oude Molen PSO. Words cannot explain the experiences that await you during your time here with us.

When I look back at my career at Stellenbosch University, Oude Molen forms the bulk of my experience and growth, through what I have been able to be exposed to, but more importantly, through the incredible people I have been able to meet and call friends.

My role as Prim over the next year will be to guide the house to achieve all that we have set out to, and facilitate the welcoming of our new brothers into our family. I also represent Oude Molen on a wider campus level and bring our identity to other communities and the University management, making sure that your needs are catered for across all bases.

On a personal note, I am so excited to meet you and to have you be a part of my journey here, and to hopefully help you set sail on yours. University can be a scary place, but just know that you will always have friends waiting for you at Oude Molen, and please feel free to come chat to the HK at Rietdak so we can get to know you better.

This PSO really can be a life-changing experience for you, and be the most incredible platform for you to grow and excel during your time here on all levels, and gear you even further for life afterwards. The people you will meet can only enhance your life here, adding to your memories that you will take away, and can help you along on your adventures through the jungles of tests, exams, pred and over all of this, creating your own unique identity.

However, there is a catch, and that is that YOU have to let it.

As the saying goes, “the game of life has only two participants, players and spectators”, and I believe you have too much to offer to not be a player!

Please feel free to contact me should you have any queries or worries.

Best wishes,

Bevan Mandy

Congratulations on your allocation to Oude Molen PSO. I hope that you are as excited to start your new journey here as I am to welcome you into our family. I look forward to meeting you in January, and cannot express how lucky you are to have been placed in such a wonderful PSO. Oude Molen PSO offers many opportunities, to name but a few; lasting friendships (something to which I can testify), individual growth, and a place to reach your full potential. These opportunities are most beneficial if you willingly grasp them, and I therefore encourage you to take advantage of the unique experience that Oude Molen will offer you. At Oude Molen we are more than friends, we are a Mol family, and I know it sounds like a cliché, but it is true. Enjoy your holidays, rest well, and come prepared and full of energy for the start of your new journey in January.

Welcome to Oude Molen, the place that has been my home away from home since 2016. I am an accounting student and will mainly be involved in event planning and ticket/clothing sales during the year.

I enjoy all manner of outdoor activities, be it recreational sport, afternoons spent being lazy on the beach or simply reading a book under a tree. You will see me snacking most of the time that I am idle and can be bribed with a wide variety of sweet treats. 2019 will be my 4th welcoming, the 3rd as a leader in this community. I hope that in the year to come I am able to share with you the same and new amazing experiences at Oude Molen that mark some of the best memories of my university career.

The Year 2019 has been interestingly redefined as "20-mine-teen", which carries a strong theme of possession and ownership. As a hub for different types of individuals who come from different backgrounds, it's important for us to have a shared sense of ownership for Oude Molen. There are a lot of things that you will encounter in 2019; some will be great, others will not. Oude Molen is willing to be with you every step of the way. Oude Molen has a house, but it's not a home. It's much more than that... Oude Molen is a family and has been my support structure for the past two years and I can say with the utmost confidence that this is the family you get and want to choose. The experience of being a Mol is definitely a life-changer. You'll meet many new people and possibly your best friend. A person that will be there through good times and bad times, a person that cares. Whether you become a part of the group or stay an individual, there will always be a Mol who cares. I am very excited for the shared experiences to come and that I can be a part of your support system like the one that I had and continue to have.

Willem Vegter

Hello and welcome to Oude Molen! My name is Willem Vegter and I am the head mentor of Oude Molen. I also have sub portfolios which include our alumni and senior student relations, the academics within the PSO and student well-being, be it physical, mental or even spiritual.

From the mentor's side I just want to say that we hope you enjoy your time being part of Oude Molen. We are a loving community, and we strive to create a welcoming environment and a place that our members can truly call a home away from home, although we all live in our own private residences. Oude Molen is a community of brothers that look after their own.

From my side, if this is your first year at a university, look forward to long hours of studying before exams and late nights to finish projects, but those times are heavily outweighed by fun and excitement synonymous with university life. I would even go as far as to say your best years will be at university. If this is not your first year then welcome back, and I hope to see you at welcoming as well. I hope you enjoy the rest of your holiday. We are really looking forward to seeing you on the 24th of January for the start of welcoming.

What are the Mentors?

On the first day of welcoming you will be divided into groups according to your faculties, and this is where you will meet your mentor. In these mentor groups you will get to know your mentor and they will get to know you. Throughout welcoming they will look out for you, in the sense that if you have any questions or if something goes wrong and you need help you can just go talk to them and they will assist you to the best of their abilities. After welcoming the mentor's duty changes from essentially being a guide to more like a friend. They are there to help you if you are struggling, because at the end of the day the mentors are just students like you, but with a bit of experience in surviving through the tough times in university. Just take note that you can ask any mentor you feel comfortable with for help, you are not bound to one mentor. All the mentors are capable of helping you or directing you to someone who is.

They will be involved in the planning of Welcoming and also in the facilitation of Vensters, and will also be involved in your mentor sessions. They will also focus on the more social aspects of welcoming and social events throughout the year.

Dear Student

CHARGING FIRST YEAR WELCOMING PACKAGES TO STUDENT ACCOUNTS

Welcome to the PSO community of Stellenbosch University! You have been assigned to a PSO (private student organisation) due to the fact that you have not elected to stay in a residence in 2019. During the annual welcoming period in the beginning of the year, residences and PSOs take responsibility for exposing first years to Stellenbosch University in a welcoming manner.

Because PSOs do not have a dining hall (although some PSO's will arrange meals for their students in dining halls during the welcoming period) where students can enjoy meals, PSO first years are provided with "welcoming packages". These packages usually consist of a number of meals, clothing, water bottles, caps and other items unique to the particular PSO. During PSO registration on the first day of Welcoming (Thursday, 24 January 2019), you will have the option of purchasing one of these welcoming packages at a set price (which may vary from PSO to PSO). Each PSO will also offer different options (both clothing and meals, only meals, only clothing, etc.) that students can then select. Please see the bottom of this email for more information.

Stellenbosch University utilizes a cashless system to allow students to purchase these packages hassle free. You, or your parents or guardian, will have to sign an acknowledgement of debt on the day so that the clothing, food, etc. for the welcoming period can be made available to you. After registration the cost will be charged to your student account to be paid with all other student-related expenses. **Please note that once the form is signed you will be liable for the costs of the package selected, regardless of you having all the meals or not, or not wanting the clothing after the first few days.**

Acquiring the "welcoming packages" is not compulsory, but we do want to encourage you to take the opportunity to do so as it will make your welcoming period a much more enjoyable experience. Please find attached the form for your completion. You are welcome to print the form and bring it along.

If you have any questions, feel free to contact me at 021-808 4854 / 2791 or psos@sun.ac.za

Beste Student,

HEFFING VAN VERWELKOMINGSPAKKIE-KOSTES OP STUDENTEREKENING

Welkom by die PSO-gemeenskap van die Stellenbosch Universiteit! Aangesien jy nie in 'n koshuis woonagtig is nie, is jy in 'n PSO (Privaat Studente Organisasie) ingedeel. Tydens die jaarlikse Verwelkomingsperiode neem koshuise en PSO's verantwoordelikheid om die eerstejaars op 'n verwelkomende wyse aan Stellenbosch Universiteit bloot te stel.

Aangesien die PSO's nie oor 'n eetsaal beskik waar studente maaltye kan geniet nie, (alhoewel daar reëlins getref word deur sommige PSO's om etes in die oop eetsale te geniet), word daar vir die eerstejaars "verwelkomingspakkies" saamgestel. Dit bestaan gewoonlik uit 'n sekere aantal maaltye, klerasie, waterbottels, pette, en soortgelyke items wat eie is aan die betrokke PSO. Tydens registrasie by die PSO op die eerste dag van Verwelkoming (Donderdag, 24 Januarie 2019) het u die opsie om hierdie verwelkomingspakkies aan te skaf teen 'n vasgestelde bedrag (wat kan wissel van PSO tot PSO). Elke PSO bied ook verskillende opsies aan student (etes en klerasie / slegs etes / slegs klerasie).

Stellenbosch Universiteit maak gebruik van 'n kontantvrye sisteem wat studente in staat stel om die pakkies makliker te verkry. U, of u ouers of voog, gaan dus op die dag 'n erkenning van skuld moet teken sodat die klerasie, voedsel, ens vir die verwelkomingsperiode aan u beskikbaar gestel kan word. Na registrasie sal die koste dan teen die betrokke studenterekening gehef word vir betaling saam met alle ander studentverwante uitgawes. Neem asseblief kennis dat sodra u die vorm onderteken het, u aanspreeklik sal wees vir die koste van die verkose pakkie, ongeag of u al u etes geneem het en ongeag of u die klerasie nie meer wil hê of dra na die eerste paar dae nie.

Die verkryging van die "verwelkomingspakkies" is nie verpligtend nie, maar ons wil u tog aanmoedig om dit wel op te neem. Vind asseblief aangeheg die vorm vir u voltooiing. U is welkom om dit saam te bring volgende jaar.

Indien u enige vrae het, kontak ons gerus by 021-808 4854/2791 / psosun@sun.ac.za

Vriendelike groete,
