

SRC 2020/2021

I. Vision

We strive to be a productive and integrated structure that encourages holistic student success and produces tangible results.

2. Mission

Our mission as the SRC is to:

- Foster constructive collaboration between the various student leadership structures.
- Promote integration between the different SU campuses.
- Cultivate student wellness & success, universal access, and inclusivity by placing them at the forefront of our decision-making.
- Acknowledging intersectional identities of students in working towards a safe campus environment, with zero-tolerance towards discrimination and gender-based violence.
- Being a visible and accessible SRC that provides platforms for students to engage with us, ensuring that we remain accountable to our constituency.
