

DSc in Food Science

Programme Code

6001001

Programme Description

For the DSc degree a number of advanced original research and/or creative work in Food Science is required. Additionally original and previously published work(s) of a high standard are required that show that you have made a real and exceptional contribution to the enrichment of the knowledge base in Food Science. An oral examination may also be required. See section 2.5 in this chapter for general information on the DSc degree in the Faculty of AgriSciences.
