The School of Public Leadership (SPL) is committed to community-relevant, internationally and nationally competitive, academic and professional teaching, research and provision of services in the fields of planning, public policy analysis, public management, development and environmental management, aimed at the promotion of sustainable development in a participative and fair manner.

To this end, the teaching, research, consulting and community work programmes of the School are designed to foster professional excellence, social entrepreneurship, reflective leadership, effective management, and the competencies needed to work within complex, multi-disciplinary, networked and diverse operating environments.

POSTGRADUATE DIPLOMA IN PUBLIC FINANCE MANAGEMENT

BACKGROUND

With shrinking budget allocations and the rising need for public services, public sector organisations are being required to go well beyond compliance to ensure value-for-money and developmental impact in their programme delivery, while keeping up with technology advances and engaging with stakeholders.

The functions of budgeting, financial management, accounting and reporting specialists in national and provincial treasuries, the offices of chief financial officer in national and provincial departments and in municipalities requires a wide range of skills, knowledge and professional ethics and competences.

If you are a mid-career civil servant wanting to professionalise your career as a public sector finance specialists, or you are a manager with an undergraduate qualification in another discipline who currently has a financial management delegation and realises that future career progress depends on acquiring more public financial management skills, this higher-education diploma will give you the opportunity to learn how:

- Budgeting can be integrated with strategic and operational planning to support organisational goals and objectives, and support effective risk management
- Macroeconomic factors, the fiscal framework and the intergovernmental budget process influence departmental and municipal allocations, as well as programme budgets;
- To manage a budget process effectively, from the budget formulation and decision-making stages, to effective and efficient financial management, reporting and auditing.
- To understand how information technology systems and governance impact on public financial management and the control environment.

Both the content and modes of presentation are modularised to ensure an integrated teaching and practice learning approach.

ASSESSMENT OF THE MODULES OF THE POSTGRADUATE DIPLOMA IN PUBLIC FINANCE MANAGEMENT

The policies of the University of Stellenbosch with regards to assessment and moderation are fully appropriate for the intended programme. However, in addition, the following specific assessment policy provisions for the programme are provided for:

1. Each Module will have at least two individual assessments assessing all the outcomes of the module.
2. One of the minimum of two individual assessments will be written under controlled circumstances with an invigilator ensuring adherence to the examination requirements as prescribed by Stellenbosch University policy.

The format of the assessments may vary, but it is accepted that it will be designed to test ability to do the techniques (e.g. exercises with calculations) and / or insight (e.g. case studies). The module facilitator will determine whether in-class assessments may be typed on personal computers and submitted electronically while the invigilator and participant is still in class.

3. The other of the minimum of two individual assessments will be in the format of an applied take-home written assignment. Submission of this assessment must be done by means of a document upload onto the online platform of the University. This upload includes checking a box accepting the submission terms, specifically confirming authenticity of the assignment paper.
4. A participant must pass all modules with at least 50%, with a subminimum of 40% for any assessment. If it is decided to include group assessments done during the contact time as part of the assessment plan, it may not contribute more than 20% of the final module mark.
5. A participant not successful in an assessment will be given a second opportunity for assessment only if he/she has attended at least 80% of the contact time. Should the rewrite – in the case of the controlled assessment and/or resubmission – in the case of the take-home assignment - still not be successful, the participant must re-register and redo the module.
6. A participant that has – for a proven work-related or serious health reason – not been present during the controlled assessment, but has attended at least 50% of the contact time, will be allowed to do the assessment at the same opportunity scheduled for participants referred to in item 5 above. The attendance register will be used as evidence for allowing such an opportunity, but should the participant be unsuccessful, no further opportunities will be granted and he/ she must re-register and redo the module.
7. A participant that has completed the controlled assessment, but has for a proven work-related or serious health reason been prevented from submitting the take-home assessments by the set date, will be granted a maximum of two weeks extension of time to submit, where after no further extension will be given.
8. A participant that has been found not yet competent in the take-home assessment will be given one opportunity and guidance to improve the assignment at a given date and re-submit only if he/ she has attended at least 50% of the contact time as indicated in the attendance register. After this further opportunity where applicable, if the participant is still found not yet competent, he/she must re-register and redo the module.

LOGISTICAL ARRANGEMENTS

The Postgraduate Diploma in Public Finance Management is taught in blended and flexible mode, meaning that limited duration direct and real time interaction by means of telematics are combined with learning by means of electronic media. It will require attending limited direct contact sessions at the Bellville Park Campus of Stellenbosch University in Bellville (Cape Town), with potential repeat of contact sessions at other centers where adequate numbers of students live and work. In addition, interactive telematics sessions and invigilated assessments spread throughout the year must be attended at decentralised venues across the country.

ADMISSION REQUIREMENTS FOR THE POSTGRADUATE DIPLOMA IN PUBLIC FINANCIAL MANAGEMENT
