Programme structure

You can choose between the following two options:

- *Full Thesis option (Taxation 879):*

You must attend lectures on writing skills and write a research proposal. Your research proposal must be presented to the Research Committee of the School of Accountancy, who must approve the proposal.

Your research project must be completed according to the requirements set by the School of Accountancy. This project consists of a thesis and a related article publishable in an accredited journal.

- *Coursework and Research Assignment option (Taxation 889):*

Attending all the interactive lectures on selected topics, as well as lectures on writing skills and writing a research proposal, is compulsory.

You must complete a research project of limited scope according to the requirements set by the School of Accountancy. This consists of a research assignment (after writing a compulsory research proposal) and a related article publishable in an accredited journal.

Programme content

You must earn at least 180 credits as set out below.
