programmes are subject to faculty-specific closing dates. [View them here](#).

- Make sure you have an e-mail address and phone number so that we can contact you.
- As soon as you create your profile you can follow the system prompts and e-mail communication.

## Take note of the closing dates

Make sure you submit your application before the [closing date](#).

## Select your programme(s)

- For a PhD application you may only apply for one programme.
- For other postgraduate programmes you may select a maximum of two programmes from any faculty.
- You will be considered for all programme choices that you applied for, and if you qualify, you may receive more than one offer. You must accept at least one offer by the closing date indicated in your offer, otherwise the offer expires.

**Tip**

Make sure your electronic copies are clear and that we can easily read everything on the page. If we can't, we will ask you to resubmit the document, which will slow down your application, and you may miss the application closing date. We prefer PDF documents, but you can also upload doc, docx, jpg, jpeg, and png files.

We can only consider your application if you submit all the required documents by the closing date. Only applicants who apply for the first time to Stellenbosch University need to upload their certificates and transcripts. If you are already enrolled as a student at the University, we

# Conditional offers

If you provide your provisional results and have not completed the qualification at the time of application, we may admit you on condition that you pass and complete your qualification and that your results meet the programme requirements as set by the specific faculty.

## Final offers

If we receive the results of your qualification(s) and if you meet the requirements of the programme(s), and if we have available space on the programme, we will make you a final offer. You must then accept that offer within the closing date that we will communicate with you.

### WHAT IF I CHANGE MY MIND LATER?

If you accept an offer you can decline it at any time to accept another offer. If you have declined an offer or your offer has expired but you want to be considered for that programme again, you must contact Client Services at [info@sun.ac.za](mailto:info@sun.ac.za). The specific faculty can then consider your request based on available space.

# Upload your signed contract

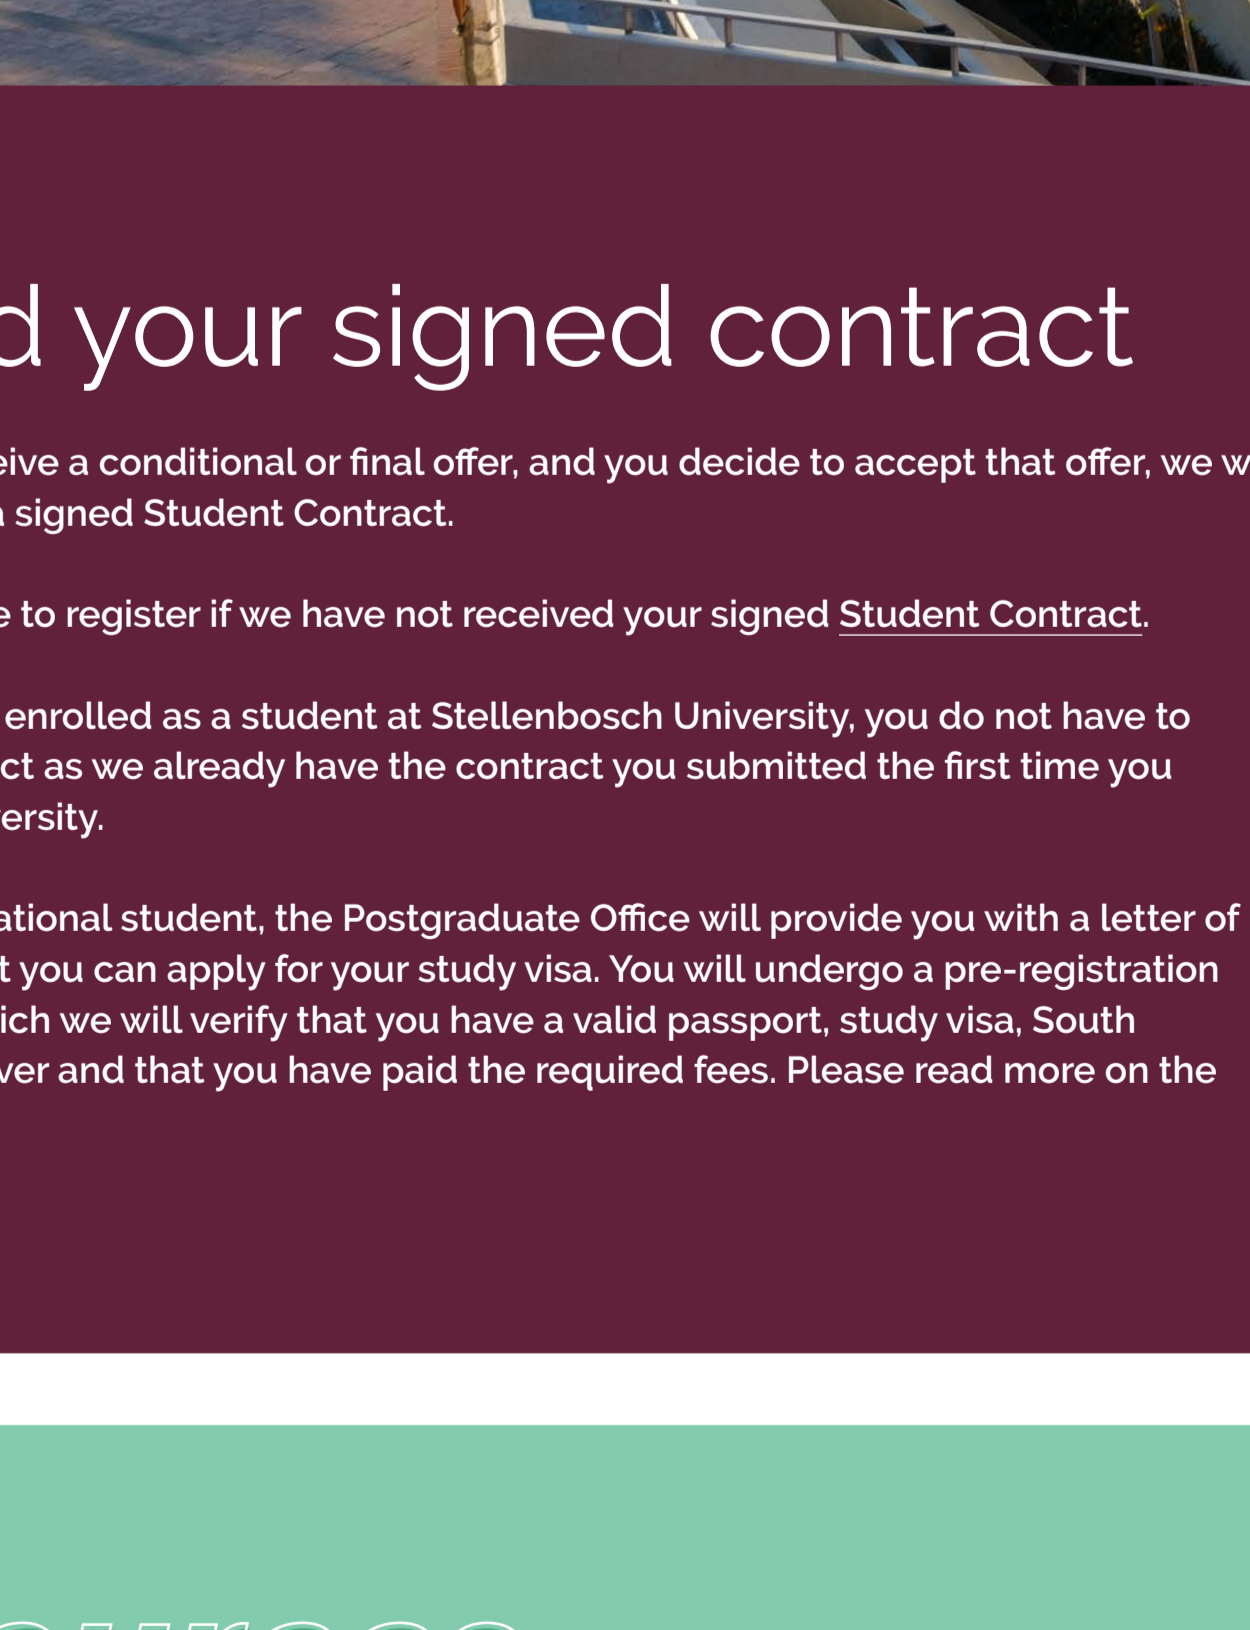

When you first receive a conditional or final offer, and you decide to accept that offer, we will ask you to submit a signed [Student Contract](#).

You will not be able to register if we have not received your signed [Student Contract](#).

If you are currently enrolled as a student at Stellenbosch University, you do not have to upload your contract as we already have the contract you submitted the first time you applied to the University.

If you are an international student, the Postgraduate Office will provide you with a letter of undertaking so that you can apply for your study visa. You will undergo a pre-registration process, during which we will verify that you have a valid passport, study visa, South African medical cover and that you have paid the required fees. Please read more on the requirements [here](#).
