

5.3.3.13 MPhil in Gynaecological Oncology (subspecialty programme)

Specific admission requirements

At least one of the following qualifications:

- FCOG (SA);
- MMed (O&G); or
- an equivalent qualification for registration as a specialist in South Africa.

Application procedure

You must apply for a senior registrar post in service of the Western Cape Department of Health if you want to register for this programme. If you are successful, you will be admitted to the MPhil in Gynaecological

Oncology.

Duration of programme

The programme extends over two years on a full-time basis and four years on a part-time basis.

Programme content

Both modules are compulsory and run concurrently instead of consecutively.

Clinical Gynaecological Oncology	872(135)
Assignment (Gynaecological Oncology)	871(45)

Assessment and examination

- To successfully complete the Clinical Gynaecological Oncology module, your participation must be satisfactory while working as a specialist in the Gynaecological Oncology Unit of the Department of Obstetrics and Gynaecology. Furthermore, you must achieve a pass mark of at least 50% in the Cert Gynaecological Oncology (SA) examination of the CMSA.
- You will be assessed regularly as part of the flexible assessment strategy and you must keep a portfolio/log-book of your clinical exposure and experience with procedures.
- If you are a full-time student, you must register the research protocol within three months of registration as an MPhil student and complete the research assignment within 21 months of registration.
- If you are a part-time student, you must register the research protocol within six months of registration as an MPhil student and complete the research assignment within 42 of registration.
- The assignment must be submitted in the form of an assignment or an article ready for publication. Successful completion of this module is a requirement for admission to the Cert Gynaecological Oncology (SA) examination of the CMSA.
- The modules contribute to the final mark as follows:
 - Clinical Gynaecological Oncology – 75%; and
 - Research Assignment – 25%.
