

5.3.3.33 MPhil in Paediatric Medical Oncology (subspecialty programme)

Specific admission requirements

At least one of the following qualifications:

- FC Paed (SA);
- MMed (Paed); or
- an equivalent specialist qualification.

Application procedure

You must apply for a senior registrar post in service of the Western Cape Department of Health (or alternatively fund yourself for the two years of study) if you want to register for this programme. If you are successful, you will be admitted to the MPhil in Paediatric Medical Oncology.

Duration of programme

The programme extends over 2 years.

Programme content

The modules run concurrently, and all are compulsory.

Clinical Paediatric Medical Oncology	872(135)
Research Assignment	871(45)

Assessment and examination

Successful completion of the Clinical Paediatric Medical Oncology module requires satisfactory participation whilst working as a senior registrar in the Paediatric Haematology and Oncology Unit, Tygerberg Hospital, as well as a pass mark of at least 50% in the Cert Medical Oncology (SA) Paed examination of the CMSA. You will be assessed regularly as part of the flexible assessment strategy and you must keep a portfolio/log-book of:

- clinical activities;
- experience in haematology and oncology procedures;
- relevant courses attended;
- compulsory tumour board meetings attended;
- rotations through the Divisions of Radiation Oncology and Haematological Pathology (Haematology laboratory);
- experience using formal developmental assessment tools; and
- knowledge gained of relevant services.

You must register the research protocol within six months after you have registered for the programme and complete the research assignment within two years of registration. The research assignment must be submitted in the form of an article for publication. Successful completion of the Research Assignment module is a requirement for admission to the Cert Medical Oncology (SA) Paed examination of the CMSA.

The modules contribute to the final mark as follows:

- Clinical Paediatric Medical Oncology 75%; and
- Research Assignment 25%.
