

### 5.3.2.1 MSc in Anatomy

#### Specific admission requirements

The following specific admission requirements apply in addition to the general admission requirements for MSc programmes as mentioned in section 5.3.2 above:

- If you have a BTech qualification:
  - you will be considered for admission if you have passed the BTech degree with a minimum of 60%; and
  - thereafter you will be admitted if you pass the BScHons examination in the relevant field of study as a preliminary examination with a minimum mark of 60%.

#### Application procedure and closing date

Apply online at [www.maties.com](http://www.maties.com) by **30 September** of the previous year. Applications for prospective international students close on **31 August**.

#### Duration of programme

The programme extends over one year.

#### Programme description

This is a completely thesis-based master's programme. The initial research proposal is approved by a departmental research committee and the Health Research Ethics Committee of the Faculty of Medicine and Health Sciences.

#### Programme content

Thesis	872(180)
--------	----------

#### Assessment and examination

- You must complete a research project, leading to the submission of a thesis that is assessed according to University guidelines through a process of internal and external examination.
- The final mark is calculated from the marks obtained for the research project and thesis, as well as for a presentation and an oral examination.
