

### 5.3.1.11 MMed Obstetrics and Gynaecology

#### MMed (O&G)

##### Specific admission requirements

This programme does not have specific admission requirements. The general admission requirements for MMed programmes as mentioned in section 5.3.1 above are applicable.

*Please also note:* If you, as a registrar, are registered for the MMed (O&G) programme elsewhere in the country and have already completed 18 months' training in a numbered training post of the Health Professions Council of South Africa (HPCSA), you will only be considered if you have passed the Part I examination of the College of Obstetricians and Gynaecologists.

##### Duration of programme

The programme extends over four years.

##### Programme content

The programme consists of four modules to be completed over a period of four years.

Basic Sciences	874(120)
Obstetrics	872(120)
Gynaecology	873(120)
Research Assignment	818(120)

##### Assessment and examination

- As registered student you must pass the Basic Sciences module before the end of the second year.
- You must pass all remaining modules in the final examination.
- The minimum pass mark is 50%.
- The Part IA examination of the College of Obstetricians and Gynaecologists must be passed within 18 months and the Part IB examination within 30 months of commencement of study.
- The MMed degree will be awarded following successful completion of the Part II examination of the College of Obstetricians and Gynaecologists and the research assignment.
