

BScHons in Biokinetics

Specific Admission Requirements

- A bachelor's degree with Sport Science as one of the majors and which Senate has approved for this purpose.
- You must apply in writing in order to be admitted to the programme by Senate, or the Executive Committee that acts on behalf of Senate.
- An average final mark of at least 60% in Sport Science subjects (theory and practicals) during your undergraduate years.

Closing Date for Applications

Apply in writing to the departmental chair or Registrar by 31 July of the previous year. Only a limited number of students will be accepted in the Biokinetics specialisation.

Duration of Programme

The duration of the programme is one year.

Programme Content

An internship period that meets the conditions laid down by the Health Professions Council of South Africa will be required before you can apply for registration as a biokineticist in an independent practice.

Anchor Module

Biokinetics	778(120)
-------------	----------

Compulsory Submodules

Biokinetics Practice	772(20)
Ergonomics	775(20)
Exercise Physiology	774(20)
Exercise Science	771(30)
Research Project	773(30)

Assessment and Examination

This programme is assessed continuously and includes theoretical and practical assignments, as well as informal class tests and formal tests. All assessments contribute to the final mark of each year subject.

You must obtain a class mark of 40% per semester subject for admission to the written examination. In order to pass Biokinetics Practice 772, you have to pass the written examination with at least 50%, as well as pass a practical and oral examination at the end of the year with at least 50%. The final mark for each submodule consists of 50% of the examination mark and 50% of the class mark.
