

PhD in Geography and Environmental Studies

Programme Code

49913 – 978 (360)

Specific Admission Requirements

- An MSc degree in Geography and Environmental Studies or a related discipline or a master's degree approved by the Senate.

Programme Content

The programme focuses on the study and resolution of environmental problems and phenomena from a spatial perspective. You can do the dissertation research on a full-time or part-time basis. The research topic is developed and approved by the Faculty.

Assessment and Examination

You must submit a dissertation of approximately 90 000 words, in which you show your ability to create new knowledge or to reinterpret existing knowledge about a geographical environmental problem.

You can present your dissertation in English or Afrikaans. The dissertation is assessed according to the University's provisions in Part 1 (General) of the University Calendar.
