

List of unvetted language editors, technical editors, translators, and transcribers brought to you by SU's Postgraduate Skills Development Programme (2021)

Please see this article abstract: "The use of comments as a strategy in the accountable editing of academic texts. Existing guidelines regarding the editing of academic texts ... emphasise that editors should not alter the content and structure of this type of text. However, in practice, it is not always clear how editors should deal with problems in the content and structure of such texts. The goal of this study is to provide guidelines... ". Available: Lourens, A., 2016, 'Die gebruik van opmerkings as 'n strategie tydens die verantwoordbare redigering van akademiese tekste', Literator 37(2), a1277. <http://dx.doi.org/10.4102/lit.v37i2.1277>. [<https://literator.org.za/index.php/literator/article/view/1277>].
