1. **Registration form**
2. **Society Constitution**
   - The Constitution needs to be approved by the Student Court. Please consult the "Student Court New Guidelines (2010)" when drafting the constitution.
   - Completed Constitutions can be sent to studentehof@sun.ac.za (cc societiesvr@sun.ac.za) for approval.
   - Please note that this process may take anything from 1 month to 6 months.
   - Please include the approval document when sending your final society registration application to the Societies Council.

   - They must be aware of membership fees if applicable.
   - Please include their name, student number and signature.
4. **A Vision and Mission Statement**
   - Please see "Vision and Mission Statement Guidelines (2014)". The vision and mission should show how the Society will align itself to the Vision and Mission of the society's Council.

Once the above requirements are met and your application is approved you will be able to apply for a cost point to manage your finances. An application for a cost point is created by the Societies Council Treasurer, upon your request via email, and then sent to the appropriate persons so that it can be processed. The cost point will then be created within the next 1-2 weeks.

Before you can use the cost point, your elected treasurer will need to go for training. Please arrange this with the Societies Council Treasurer.

It is **VERY** important to note that any payments you make before successful completion of the registration process your responsibility.

Your society will be added to the online sign ups in order for students to sign up to your society on their student accounts.

Further, you will be able to apply for a university email address (ending in @sun.ac.za). Further information on this can be found in the "Chair Handbook".
