

Imperial - Stellenbosch University Collaboration Initiative (SUCI)

invites applications for

2022 POSTGRADUATE BURSARIES

Bursaries for prospective/current Master's and Doctoral students for 2022 in the following fields:

Economic and Management Sciences, Engineering and Law.

Successful applicants will be required to enter into a bursary agreement with Imperial, which will include a work-back agreement (based on one year of service for every year of bursary support received), subject to availability.

Preference will be given to suitable BCI candidates.

Themes:

- Supply Chain response to COVID-19 and Healthcare.
- Fresh Food Supply Chain.

Within each theme, a variety of industry-related topics may be considered. Relevant fields not mentioned above may also be considered.

Requirements:

- Bachelors degree in a relevant field of study.
- Intention to pursue a full-time Master's or PhD degree programme at Stellenbosch University.

Current Master's and/or PhD students will also be considered, based on the relevance of their research topics.
