

HonsB in Public Administration/ MPA in Public Administration

Learning for Sustainable African Futures

This internationally recognised qualification is accessible to students throughout Southern Africa! Please note class attendance requirements and options below.

- **Admission Requirements: For the Honours degree:** Any degree or four-year diploma with a good study record. Alternatively, for recognition of Prior Learning admission application, a three-year tertiary diploma with evidence of additional prior learning. In all cases, also a minimum of five years' appropriate work experience. **For the Master's degree:** An Honours degree in Public Administration with an average pass mark of 65% and the approval of a pertinent, well formulated research proposal.
- **Duration:** A one-year Honours programme followed by a one-year Master's programme in Public Administration/Management.
- **Delivery modes and class attendance:** All programmes require the compulsory attendance of at least two weeks of interactive contact learning sessions in Cape Town, while the Honours programme also offers these contact weeks in Centurion for HonsB; supplemented by internet-based learning support and additional interactive telematic transmissions or online streaming to different parts of South Africa. Invigilated examinations are written at various centres in South Africa and Namibia.

All Honours degree participants will receive a laptop computer and all prescribed handbooks by way of e-books installed on the computer. Hard copy books will be issued only where e-books are not available.
